Acknowledgment of Country

We, the Litchfield Council, acknowledge the traditional custodians of this land. We pay our respect to their Elders, past, present, and future.

Introduction

The municipal plan (Plan) is Litchfield Council's action plan and annual budget for the 2025-2026 financial year. It includes key actions and services (deliverables) for Council to achieve its vision, mission and priorities in the Strategic Plan 2022-2025.

Cover and Publication Artwork

Marnie Jay is a Litchfield based visual artist who has worked in multiple disciplines using her background in graphic design and illustration. Mentored by Tony Oliver - Australian Geographic Illustrator and receiving an Award for "Best Graduating Illustrator". Marnie spent her professional life working with major media outlets, art institutions and freelancing to eventually find inspiration from the natural environment to progress to painting and become a full time artist in that medium. Her works are mostly inspired by the Litchfield area and surrounds with an emphasis on nature and the juxtaposition of urban and rural life on those habitats. Part environmental commentary, part wildlife documentation she uses humour, vibrant natural colour and her own unique interpretation of the region to depict Litchfield in her works. She paints weekdays and has a shop open weekends at Coolalinga Central, in rural Darwin, Northern Territory, Australia.

MESSAGE FROM YOUR MAYOR

On behalf of Council, it is a great honour to present the 2025-2026 Municipal Plan and budget. This budget is the fourth and final budget of this term of Council and I would like to take a moment to acknowledge the collective effort that has gone into the budgeting process over the past four years.

It is not just a financial plan but a result of a collaborative process that involved each and every Councillor, the CEO and senior staff. The 2025-2026 budget reflects our shared commitment to creating a vibrant, thriving rural community for all. It is a balanced and forward-looking plan designed to address our most pressing needs while laying the foundation for future growth and prosperity.

This year, we have a rates increase of just 3%, which reflects our commitment to maintaining financial responsibility while still investing in the services and programs our community depends on. We understand the pressures that our residents face and have worked hard to ensure that the revenue increase remains manageable while continuing to provide high-quality services. This Council has successfully maintained Councils financial reserves, only withdrawing for specific purposes as required. Council will draw \$1.1 million from financial reserves this year to fund capital investment.

While we've made significant strides in meeting the needs of our community, we recognise that we cannot do it alone. Council concentrates on preparing submissions for available grants such as the Safer Local Roads Grants, Thriving Suburbs and Roads to Recovery Grant. We will continue to advocate for greater support from the Federal Government and Northern Territory Government to ensure that

our community gets the resources and funding it deserves. The challenges we face, like inability to fund depreciation and dependency on external funding, require a collaborative approach, and I am committed to working with all areas of government to bring those much-needed resources to our municipality.

In 2024-2025 Council enthusiastically welcomed the Australian Governments \$10 million investment in the Freds Pass Sport and Recreation Reserve. The funding will be split into two main projects, with around \$6 million to be spent on electrical upgrades and installation of field lighting. The remaining will fund the design and construction of a netball facility. This project is expected to be completed in 2027.

One of the successes we've seen in the past year is the implementation of the Waste Disposal Voucher System. This system has provided our residents with an easy and affordable way to dispose of items for free that would usually be charged, helping to keep our community clean and reducing illegal dumping. The voucher system will hopefully be a win-win for the environment and for our community. The voucher system began in April 2025 and will be continued throughout 2025-2026 in order to gauge the success of the program.

A key highlight of this budget is our significant investment in the future of our community through a Capital Works Program valued at over \$6 million. This program will fund essential infrastructure projects, including road seal upgrades, and community facilities such as BBQ upgrades at Knuckey Lagoon Recreation Reserve and Masterplans across Council reserves. **4** The program also includes unsealed to sealed road upgrades being Keleson Road and Bees Creek Road. These investments are crucial to ensuring that our municipality remains a great place to live, work, and visit. We are focused on improving the quality of life for our residents, and these capital works will contribute to a safer, more efficient, and more sustainable community.

Another important area of focus is our investment in recreation. We are allocating a 4% increase in funding for our recreation reserves that are managed by independent associations, ensuring that our sports clubs, community groups, parks, and community facilities continue to thrive. The 4% is above our overall operational increase of 3% and I am pleased to say that this Council has worked hard to increase funding for its reserves, with an overall increase of over 40% since 2021-2022. These reserves are vital to promoting active lifestyles, social inclusion, and overall well-being. By investing in our recreational facilities, we are making sure that our residents have access to high-quality spaces that encourage physical activity, foster connections, and provide opportunities for recreation.

I am also pleased to announce that we are allocating over \$190,000 in community grants to support local organisations and initiatives. These grants will go directly to programs that make a real difference in the lives of our residents, from supporting cultural events and community projects to funding youth development grants to assist in their future endeavours. Council is pleased to continue its support for the annual Fred's Pass Rural Show with a \$60,000 grant, highlighting the agricultural, social, and cultural elements of our diverse rural community.

Following a Council decision in March 2025, the 2025-2026 year sees the relocation of the Community Library from Taminmin High School to Coolalinga Central, subject to satisfactory negotiations. The decision to relocate the library was a difficult choice to make, balancing the additional benefits against associated costs. Ultimately, Council decided that the benefits of a public library in terms of larger floor space, improved community access and amenity, far outweigh the associated financial cost. The move is expected to result in a significant increase in social capital through increased library usage, convenient parking and proximity to retail outlets. In conclusion, this budget represents our ongoing commitment to the growth and prosperity of our community. It is a budget that carefully balances the need for fiscal responsibility with the need for investment in the services and infrastructure that will improve the lives of our residents.

The draft Municipal Plan and Budget is made available for public feedback, allowing the community to have a direct say, and providing Council with further opportunity to gain insight into the direction locals would like to see the municipality take in the future. I encourage you all to provide feedback during the consultation period.

BUDGET AT A GLANCE

YOUR COUNCIL

The Council consists of the Mayor and six Councillors who were elected in August 2021 for a four-year term expiring in August 2025. There are three electoral wards being Central, North and South. Each ward is represented by two Councillors. The Deputy Mayor is appointed by a resolution of Council for a period of eight months. At the 2024 Territory Elections Councillor for Central Ward, Andrew Mackay, was elected as the new MLA for Goyder and subsequently resigned from Council as an elected member. As a result, a vacancy became available on the Council and, following an expression of interest, Council welcomed Kris Civitarese as Councillor for Central Ward.

REPORTING FRAMEWORK

Litchfield Council Integrated Strategic Planning and Reporting Framework

COUNCIL PLANS AND STRATEGIES

Council plans articulate the goals and outcomes against which Council will be measured and explains, at an in-depth level, how it will achieve them. Council works toward updating plans as they fall due and remain relevant and aligned with community expectations. Council has the following plans:

- Strategic Plan 2022-2025
- Financial Management Strategy and Long Term Financial Plan
 2025-2026 to 2034-2035
- Asset Management Plans
- Waste Strategy
- Sport, Recreation and Open Space Strategy
- Animal Management Plan
- Advocacy Strategy
- Community Engagement Strategy and Action Plan
- Customer Service Charter
- Social Media Activation and Strategy Action Plan

Further information can be found on Litchfield Council website via <u>Plans and Publications | Litchfield Council (nt.gov.au)</u>

STRATEGIC ADVOCACY FOCUS AND NEW NITIATIVES

Litchfield Council will continue advocating for greater support from both the Federal and Northern Territory Governments to address the needs of our residents, enhance our rural lifestyle, and ensure Litchfield remains the best place to live in the Top End.

> Council's focus in 2025-2026 will remain on the following priority projects.

PRIORITY PROJECT

320 Arnhem Highway - Litchfield Library, Community and Business Hub

Litchfield Council is advocating to partner with the Northern Territory and Federal Governments to establish the Litchfield Community and Business Hub to serve the growing community on section 2897 (320) Arnhem Highway, Humpty Doo, Hundred Strangways which is a strategic parcel of undeveloped land within the Humpty Doo District Centre. The Northern Territory Government Litchfield Subregional Land Use Plan identified the need for additional community infrastructure, including a multi-purpose common facility and community hall with a modern library facility and spaces for art and cultural activities.

The Litchfield Community and Business Hub concept is a multi-purpose community facility, including a modern contemporary library, an air-conditioned community hall and visitor services space.

In March 2025 Council made the decision to relocate the Taminmin Community Library from its current location at Taminmin High School to a more accessible location. Whilst the primary aim is to have the library located at 320 Arnhem Highway, the current arrangements are less than ideal and limits the facility being run as a community service. The relocation of the library, expected to be completed in early 2025-2026, will enhance accessibility, improve operational flexibility and increase community engagement. The library will also see the commencement of outreach programs throughout the municipality to further support residents who may not have access to the library. Council looks forward to being able to provide a library in Humpty Doo again, once 320 Arnhem Highway has been developed.

Council is working towards establishing a financial reserve for the 320 Arnhem Highway project and seeking external government funding and proposes to commit millions to the project should the external funding eventuate.

Litchfield Council Municipal Plan 2025-2026

Working toward this outcome, the council has, in previous years, drafted a Masterplan which provides an overview of key elements considered to bring together two master plan options for the site and assist Council and the community to engage in a conversation on the next steps to realise the community, business and tourism potential of the site. Additionally, council has completed a community engagement strategy and is ready to move forward on this exciting project.

PRIORITY PROJECT

Roads

The sealing of roads comes at a large expense, but the improvement to such assets is important to many of our residents. Council is committed to seeking grant opportunities and partnerships to continue the sealing of unsealed roads based on a strategic approach working with other levels of government to bring significant benefit to the Litchfield area and provide a higher level of service in the roads area of our municipality.

Council still has a substantial number of unsealed roads within the municipality as well as a number of privately owned roads.

In addition, in this area, the Council advocates for road safety upgrades as part of normal business as the need arises.

PRIORITY PROJECT Bike/ Share Paths

There is a growing demand for high-quality shared path infrastructure across the Litchfield area and Territory-wide, with residents demanding a higher level of connectivity between work and home and utilising paths for their health benefits and for recreation purposes.

The Department of Infrastructure, Planning and Logistics | 2023 - 2033 NT Shared Path Review Outcomes Summary includes in the short-term plan for the Greater Darwin upgrades at its highest priority path along the Stuart Highway from Coolalinga to Arnhem Highway with work detail described as extend the Stuart Highway path from Coolalinga to Arnhem Highway, then along Arnhem Highway to connect to Freds Pass Road.

Opportunities for bike / share paths in the Litchfield area include:

- Coolalinga to Arnhem Highway to Noonamah to Acacia and beyond;
- Stuart Highway to Humpty Doo Shopping Centre along the Arnhem Highway; and/or
- Berry Springs shops to Territory Wildlife Park and onto the school.

Council will continue discussions and planning with the Department of Infrastructure, Planning and Logistics (DIPL) regarding Litchfield Council's priority shared paths and DIPL's shared path review.

PRIORITY PROJECT Children's Playground in Coolalinga

Council is actively seeking land within Coolalinga to be used for a playground in the suburb. There are a number of high-density buildings in this area, and currently no open space for physical activity. Council is keen to provide opportunity for children to play and interact with each other in a purpose built playground.

13

PROGRAM PROFILES

Office of the Chief Executive

Provides strategic leadership, good governance, advocacy and decision-making to achieve corporate outcomes.				
Corporate Communications	Advises on and delivers community engagement activities, media management and corporate communications.			
Community Development	Supports and resources recreation reserves management committees to provide fit-for- purpose sport and recreational facilities. Develops inspection regimes and maintenance programs for playgrounds and trees on recreation reserves. Manages Council's Community Grants Scheme and supports community events and programs.			
Infrastructure and Ope	erations			
Infrastructure and Assets	Plans, delivers and manages Council's road network and other infrastructure to ensure the social, cultural and economic success of the Litchfield municipality.			
Mobile Workforce	Provides an effective and efficient maintenance service, including weed and bushfire management for Council's road verges, drainage easements, signs, reserves, excised lands and Council facilities.			
Planning and Development	Reviews and provides comment on all regional plans, policies, development proposals, and planning applications relevant to the Litchfield municipality. Administers future Council assets, works permits, and proposals for road openings and closures.			
Thorak Regional Cemetery	Operates the Thorak Regional Cemetery and Crematorium for the Top End efficiently and effectively in accordance with approved plans, the <i>Northern Territory Burial and</i> <i>Cremation Act 2022</i> , Burial and Cremation Regulations 2022, Council policies and community expectations.			
Waste Management	Provides an environmentally sustainable, safe and cost-effective waste management system through Council's waste transfer stations and recycling operations.			
Corporate and Commu	unity			
Corporate and Community	Provides financial services to help Council make informed decisions and allocate resources efficiently and effectively in the short and long term, while ensuring Council meets its objectives and all statutory and regulatory obligations.			
Finance	Provides timely and quality front counter customer services for residents and visitors and manages rates records in accordance with policy and legislative requirements.			
Governance and Risk	Provides and supports best practice governance, statutory compliance, records and risk management for Council.			
Information Services	Manages Council's information and communications systems to ensure alignment with business needs and excellent customer service.			
Human Resources and Work Health Safety	Manages the workplace health and safety system and a range of operational, advisory and strategic human resource services that meet statutory requirements and enables Council to attract, develop and retain great staff.			
Library Services	Provides public library services that promote lifelong learning, community connectedness and childhood development through collection development, program delivery and promotion of services.			
Regulatory Services	Administers and enforces Council's Dog Management By-Laws. Promotes and supports responsible dog ownership through public education and initiatives. Provides information to help manage and control other animals e.g. wild dogs, peacocks, roosters and livestock. Manages abandoned vehicles.

2025-2026 Annual Busge

Council is projecting a balanced budget, achieved through consistent and efficient budgeting, and drawing from specific financial reserves for key Council decisions. Overall, Council keeps operating expenses constrained in line with the Long-Term Financial Plan 2025-2026 to 2034-2035.

The financial strategy is embedded in Council's Long-Term Financial Plan and throughout this Plan. It sets the parameters within which Council agrees to operate to maintain acceptable financial outcomes over a period of 10 years.

Mobile Workforce	-	-	-	-
Regulatory Services	175,000	175,000	-	0.0%
Thorak Cemetery	1,520,089	1,595,597	75,508	5.0%
Total Revenue	22,528,107	23,209,168	681,061	3%

Overall revenue is budgeted to increase by 3% compared to last year's budget. Rates continue to be the primary source of funding for Council in 2025-2026 making up 68% of the total revenue. Rates have increased by 3% reflecting an increase of only \$0.62 per week for residential properties and an increase from \$1.11 per week for commercial properties.

Additionally, waste charges will rise by 5% or \$0.40 per week to help cover the increased expenses from Council's 2024-2025 strategic project - Waste Disposal Voucher System (waste vouchers). Fees and charges increase by 5% overall. Investment income includes interest calculated on forecasted cash and investment balances which continues to reflect current interest rates.

Operational expenditure

DEPARTMENT	2024-2025 (\$)	2025-2026 (\$)	Varian (\$)	ce (%)
Council Leadership	1,455,976	1,592,208	136,233	9.4%
Corporate	673,016	933,894	260,878	38.8%
Information Services	702,581	671,122	(31,459)	-4.5%
Finance	2,099,868	1,812,230	(287,637)	-13.7%
Infrastructure and Assets	3,991,911	4,098,277	106,366	2.7%
Waste Management	3,393,475	4,732,229	1,338,755	39.5%
Community	1,977,531	2,092,426	114,896	5.8%
Library	370,552	995,398	624,846	168.6%
Mobile Workforce	1,241,111	1,363,291	122,179	9.8%
Regulatory Services	482,869	708,907	226,038	46.8%
Thorak Cemetery	1,076,619	1,241,379	164,760	15.3%
TOTAL	17,465,507	20,241,362	2,775,854	15.9%

The Council carefully reviews its budget and planned projects to make sure it can keep providing services while staying aligned with its Strategic Plan for 2022-2025. As part of this review, the Council aims to increase operating expenses by only 8.9%. This increase mainly covers costs related to elections, employee salaries, insurance, and the return of funds for new initiatives, which were previously used for capital projects in 2025. The 8.9% increase does not include the cost of the waste vouchers. However, when including waste voucher costs, the total increase in expenditure is expected to be 15.9%. Council continues to be diligent in the area of operational expenditure and prioritises a financially sustainable structure with minimal impact on Council services.

Waste Management remains a significant cost centre for Council in this budget. Investment in this area enables Council to operate its three waste transfer stations for residents and commercial users. Councils waste voucher initiative adds significantly to this expenditure in 2026 and is funded from Waste Reserves.

Under Section 106 of the *Local Government Act* 2019, Council member allowances are determined by the Remuneration Tribunal. The budget 2025-2026 includes the increases.

The council is relocating the library in this budget to cater to a broader demographic, increase accessibility, and achieve higher community engagement, among other benefits.

ANALYSIS OF THE Capital Budget

Capital works to improve or replace existing assets or create new assets for Council.

Council's 2025-2026 budget contains capital works of over \$6 million with over \$14 million expected to roll over from the 2024-2025 budget. The \$14 million roll over includes th Australian Governments \$10 million investment in the Freds Pass Sport and Recreation Reserve. Council's capital budget for 2025-2026 will total more than \$20 million and is funded through external grant funding, Council's operating surplus and Council's cash backed reserves. In 2025-2026 Council expects to draw \$1.1 million from Financial Reserves to fund the capital works program.

Capital Expenditure on Assets

Capital expenditure is planned to be spent and funded as per below:

Capital Expenditure	2025-2026 Budget (\$)
Land and Buildings	1,244,000
Infrastructure (including roads, footpaths, park furniture)	4,243,492
Fleet	530,000

Livingstone Reserve	40,000
Sub Total	884,000
Grand Total	6,017,492

Capital Expenditure

The 2025-2026 budget includes \$4.1 million in capital renewal projects, reflecting an asset sustainability ratio of 35%. This is below both Council's target of 60% and best practice of 90%, highlighting Council's inability to fund a sustainable capital program with the current level of revenue. Some of council's strategies in this area is to assess depreciation expense as part of a

financial asset revaluation exercise including traffic utilisation.

The \$1.9 million new and upgraded capital investment includes \$1.5 million for sealing gravel roads. The capital works program includes Roads to Recovery funding and has also been recognised as capital income in the 2025-2026 budget.

Budget by Planned Major Capital Works

This table is to report major capital work projects that are either in progress, that will continue over more than one financial year or will be completed in this current financial year. All identified capital works projects listed will be complete prior to the 2026-2027 financial year.

FREDS PASS SPORT AND RECREATION RESERVE \$10M FEDERAL GOVERNMENT INVESTMENT

Litchfield Council enthusiastically welcomed a \$10 million investment in the Freds Pass Sport and Recreation Reserve from the Australian Federal Government during the 2024-2025 year.

The funding delivers on a pledge made by the Hon Marion Scrymgour during her candidacy for the seat of Lingiari in the 2021 federal election campaign. Council appreciate Ms Scrymgour's commitment to improving the sport and recreation outcomes of Litchfield residents. The funding is provided under the federal Priority Community Infrastructure Program. The funding will be split into two main projects, with around \$6 million to be spent on electrical upgrades and installation of field lighting. The remaining \$4 million will fund the design and construction of a netball facility. Onsite project construction works are expected to commence in late 2025 and completed in 2027.

The lighting infrastructure will greatly increase the usability of Norbuilt Oval, existing rear soccer ovals and the Swamp Dogs Rugby Union ovals, with clubs able to accommodate night match fixtures and training sessions under lights. The option to play and train at cooler times of the day is also a huge win for player and spectator comfort.

The funding will also see the design and construction of a new multi-court netball facility with associated carpark and access to change rooms. It will be the first purpose built netball facility in the Litchfield local government area, and will welcome new user groups to the Reserve. Freds Pass Sport and Recreation Reserve is a multifunction community Reserve that is accessed more than 528,000 times per year by users from within the Litchfield region and beyond. The Reserve has over 20 regular user groups providing a wide range of sports and recreation options. Council's desire to improve and build on the strong foundations of Freds Pass Sport and Recreation Reserve is a constant key focus of Council's strategic advocacy.

Council acknowledges the time and dedication that the Freds Pass Management Board and other stakeholders have shown during the grant application and planning phase of these projects. Without the commitment of clubs and volunteers such facilities lack the heart and soul that sees them become such vital connectors for the community.

RATING STRATEGY

Social and Economic Impact Statement of Rating Strategy

Council has been guided by its Long Term Financial Plan, Strategic Plan and Litchfield's demographic and economic data when setting rates and charges for the 2025-2026 financial year.

Council's goal is to ensure there are enough funds to maintain and renew assets to meet increasing demand for community infrastructure and services. As part of this process, Council considers the financial capacity of its ratepayer

The following data informed Council's Decision.

Litchfield Household Data*			
Median weekly household income	\$2,269		
Households with a mortgage	40%		
Median Weekly mortgage repayment	\$513		
Households renting	17%		
Median weekly rent	\$380

* Australian Bureau of Statistics, Census of Population and Housing 2021. Compiled by profile.id

Principles of the Rating Policy FIN02

Council's Rating Policy FIN02 applies the principles of administrative simplicity, policy consistency and equality.

A flat rate remains for urban residential, rural residential and horticultural / agricultural rateable properties.

As allowed for in the *Local Government Act 2019*, Council will use the unimproved capital value (UCV) to calculate rates for the commercial and gas plant rating categories in 2025-2026. The NT Valuer-General sets the UCV of land. The relevant Northern Territory Government minister sets rates for mining tenements and pastoral leases. Rates revenue for mining tenements has reduced due to the application of the changes to Local Government Act 2019 which only allows rating while the tenement is active.

Community	106,965
Library	2,835
Thorak Cemetery	1,585,597
Total	1,970,439

RECREATION RESERVES FUNDING SUPPORT

Council has nine recreation reserves across the municipality. It supports six by providing operational funding to independent associations to maintain facilities and provide a range of activities. The other three recreation reserves are directly managed under a budget set by Council. Recreational reserve funding amounts are considered each year as part of Council's budget process considering operational needs and prior year service delivery. In addition to the recreation reserves operational funding, Council funds the tree and playground maintenance for these facilities. Costs associated with these works are in addition to the below budget but is included in Council's overall operational expenditure budget.

Council works with the management committee or board of the recreation reserves throughout the year and, where possible, accommodates unforeseen expenses to provide additional support for emergencies or other eventualities as required.

Operating Contribution to Recreation Reserve

Reserves	2024-2025 Budget (\$)	2025-2026 Budget (\$)	Increa (\$)	ase (%)
Operating Contributions to Recreation Reserve				
Berry Springs Reserve	84,631	88,016	3,385	4%
Freds Pass Reserve	898,794	934,746	35,952	4%
Humpty Doo Village Green	133,196	138,524	5,328	4%
Livingstone Reserve	73,860	76,814	2,954	4%
McMinns Lagoon Reserve	32,358	33,652	1,294	4%
Mira Square	18,144	18,870	726	4%
Recreation Reserves managed in-house by Council				
Howard Park Reserve	138,090	150,894	12,804	9%
Knuckey Lagoon Reserve	32,907	45,632	12,725	39%
Gregg Park (Jakira Estate)	5,000	10,000	5,000	100%
Total	1,416,980	1,497,148	80,168	6%

In addition to the reserve's operational funding and the tree and playground maintenance for the reserves, Council spends significant amounts on capital renewal projects that are included in the Council's capital works expenditure budget.

SPONSORSHIP, GRANTS, AND OPERATING SUBSIDIES

The Community Grants Scheme was established in 2017 in alignment with the Grants, Donations, and Sponsorship Policy FIN07. This scheme offers a structured approach to providing grant funding to local communities, directly supporting the achievement of the Strategic Plan 2022-2025 outcomes and Council's vision of being the best place to live in the Top End. The funding helps community groups and organizations host events, manage facilities, and run programs that foster connections and enhance life within local communities. Additionally, the scheme supports youth development through Youth Development Grants, which focus on enhancing the knowledge, confidence, and skills of young people. The entire scheme is fully funded by revenue generated from the recycling of bottles, cans, and batteries collected at Council's Waste Transfer Stations.

GRANTS AND Donations

ITCHFIELD COUNCIL

Grants/Donations/	2024-2025	2025-2026
Community Support	(\$)	(\$)
TOTAL	157,920	191,500

Council continues to support the following:

- Fred's Pass Rural Show
- Community Grants Scheme
- Sponsorship of the Palmerston and Litchfield Seniors Association
- Anzac Day Activities
- Australia Day Activities
- Youth Week
- Annual Art Exhibition
- Freds Pass Annual Show
- Community Events

ELECTED MEMBERS ALLOWANCES

In accordance with Section 106 of the *Local Government Act 2019*, Elected Members' allowances are determined by the Remuneration Tribunal. The table below illustrates the Elected Member Allowances set by the Remuneration Tribunal for the 2025-2026 financial year.

Allowance Type	Mayor	Amount (\$) Deputy Mayor	Councillor	
Annual allowance	109,772	39,452	23,452	
Extra meeting allowance	-	10,000	10,000	
Professional development allowance	5,000	5,000	5,000	
Total Maximum Claimable	114,772	54,452	38,452	

FINANCIAL STATEMENTS

The following financial statements have been prepared in accordance with the Act and Regulations:

- Budgeted Comprehensive Income Statement
- Budgeted Statement of Financial Position
- Budgeted Statement of Cash Flows
- Budgeted Statement of Financial Reserves

The financial statements have been prepared to compare 2025-2026 budget with Budget 2024-2025.

BUDGETED STATEMENT OF COMPREHENSIVE INCOME

This statement provides a detailed summary of Council's income and operating expenses, resulting in an operational surplus excluding depreciation. Including depreciation the operating deficit indicates Council's inability to fund the consumption of assets.

Section 202 of the *Local Government Act 2019* states that a council must not budget for a deficit except in accordance with the regulations. Regulation 10 of the General Regulations states a council may budget for a deficit if the reason for the deficit can be attributed to: depreciation, amortisation, asset write-downs, expenditure of tied grant funding recorded as income in a prior year, or other non-cash items. As a result of adding back non-cash items such as depreciation, Council forecasts a net operational surplus of \$3.5 million that funds a portion of the budgeted capital expenditure. Councils' ability to reduce the reliance on Financial Reserves over the past years continues to improve councils overall financial sustainability.

BUDGETED STATEMENT OF RESERVES

This statement provides a summary of Council's financial reserve balances.

Council's financial reserves exist to ensure sufficient funds are set aside for specific purposes as they arise. Council's Financial Reserves Policy FIN04 describes Council's intentions in using those funds.

The financial reserves represent part of the cash assets and investments balance shown on the balance sheet, as they are cash-backed. Council has consistently reduced the amount required from financial reserves over the last years improving councils overall financial sustainability.

	Budget Review One 2024-2025 \$000's	Net Moments 2024-2025 \$000's	Budget 2025-2026 \$000′s

TOTAL RESERVES	13,127	(1,113)	12,014

In 2025-2026 Council will draw \$1.1 million from financial reserves to fund capital investment.

Budget Assumptions

Council applied the Long Term Financial Plan assumptions in preparing its Annual Budget for 2025-2026. In addition, Council considers the local economic indicators published by Department of Treasury – Deloitte Access Economic Brief. Council developed its budget by rationalising its operational expenditure and applying only a 5% increase on Council's mainstream revenue, being rates. Council will actively monitor the budget throughout the year and make necessary adjustments during the budget review process.
LONG TERM FINANCIAL PLAN

Long Term Financial Plan assumptions

The Litchfield Council Long Term Financial Plan 2025-2026 to 2034-2035 (LTFP) is designed to guide Council's financial sustainability over the next ten years by supporting sound financial decision-making. Council has incorporated a Financial Management Strategy document into the LTFP to further consolidate Council's strategy moving forward sustainably..

The Long-Term Financial Plan is designed to inform decisions regarding the prioritisation and use of financial resources by Litchfield Council over the next ten years by supporting sound financial decision making.

To assesses a local government entity as financially sustainable over the long term there are two assessments that must both be satisfied:

- 1 Is the Council able to demonstrate the ability to maintain fiscal capital (that is access to cash as required for operating, investing, and financing activities).
- 2 Is the Council able to demonstrate the ability to maintain infrastructure (physical assets) as required to meet service requirements.

Sustainability in the context of Litchfield means that Council is able to provide acceptable services, facilities and infrastructure to the community at an affordable level of property rates, both now and into the future.

The Long-Term Financial Plan included in this document encompasses:

Planning assumptions used to develop the Plan

Projected income and expenditure

Statement of financial position

Statement of cash flows

Financial ratios

Council currently has substantial cash reserves and no debt, which provides a good foundation in the short term.

In the long term, however, Council faces several challenges, including:

operating deficits due to insufficient revenue to fund total depreciation (that is, the cost of using or consuming existing assets);

dependency on external funding (mostly grant funding) due to insufficient own-source revenue; and

inadequate cash available to fund necessary capital expenditure to renew and replace existing assets when needed.

These challenges are not easily resolved and can only be addressed through a long term, disciplined approach to allocating financial resources and strong advocacy relationships with external agencies for grant funding.

The LTFP is based on the following strategies:

Improve the operating position

Advocate strongly for grants from other levels of government

Review of services, and level of service

Enhanced asset management

Define the need for funding for capital renewal and replacement of existing assets

Optimising potential income from residential and industrial land development

Combining these strategies will gradually improve Litchfield's sustainability over time with the key objective of increasing availability to cash and the level of capital expenditure on asset renewal, which is currently inadequate to maintain existing levels of services. Future growth of the Council can present both challenges and opportunities, which Council will need to influence and manage carefully to improve the financial sustainability over the long term.

Litchfield Council Long Term Financial Plan 2025-2026 to 2034-2035 can be found on the Council's website: <u>Plans and</u> <u>Publications | Litchfield Council (nt.gov.au)</u>.

The following assumptions were used in preparing the annual budget and the LTFP to provide current service levels.

	2027-2035 Forecast \$'000's
