

**LITCHFIELD  
COUNCIL**

*Community effort is essential*

## COUNCILLOR BARDEN

Elected to South Ward on 28 November 2015, re-elected on 26 August 2017.

Territory born and bred, Doug's family has had property in the rural area since the 1920s. As a local business owner and operator Doug is encouraged with the development and progress of the Litchfield Council since its creation in 1983 and remembers when there were very few services such as electricity or roads in the Municipality.

Doug recognises that a challenge for Council is to continue improving services in all area's including roads, waste management, reserves and planning whilst being accountable, fiscally and socially responsible.

Doug is a member of the Berry Springs Volunteer Bushfire Brigade.
