1 ACKNOWLEDGEMENT OF TRADITIONAL CUSTODIANS OF THE LAND

On behalf of Council, the Mayor acknowledged the Traditional Custodians of the land on which they meet. The Mayor also conveyed Council's respect to the Elders past, present and future for their continuing custodianship of the land and the children of the land across generations.

2 OPENING OF MEETING

The Mayor opened the meeting at 6:00.

The Mayor advised that an audio and visual recording of the meeting was live streamed to Council's online platform and will remain online for public viewing in accordance with Council's Recording of Council Meetings Policy. By attending the meeting, those present agreed to comply by Council's Recording of Council Meetings Policy. It is noted that there were technical difficulties with the visual component of the recording and the meeting proceeded with Audio only.

5 PUBLIC QUESTIONS

Mr Doug Barden General Questions

1. When will the potholes on Doris Road be fixed?
2. Am I able to get a copy of the Reseal Program?

Mr Dave Evans General Questions

Unconfirmed

1. When I questioned Freds Pass Reserve regarding the Litchfield Council's "2025 Asset on Reserves Workflow" document, I was told there was a typographic error regarding section 8. When I received the document back it had several changes made including adding a new clause, yet it was still called the same document. Why was the document not renamed?

2. The Litchfield Council's "2025 Asset on Reserves Workflow" document does not address grant funding applications. It requires evidence of grant funding before an application has been made for funding. Council is also requiring details on the ongoing maintenance, servicing, and upkeep of the system including estimated costs which the document states are only required for project completion. Will the document be corrected and made workable for volunteer user groups? Why can't a lower limit be set for minor works?

3. Is Litchfield Council considering developing additional oval space as there is currently not enough ovals for teams to train?

4. Who designed the retaining wall and rail around Tower 6 at Norbuilt oval? The rail had to be cut to allow the side cabinet to open. The lack of a southern side to the retaining wall will allow all the dirt and water runoff to build up on the inside of the wall. There is only a narrow gap of 0.3 metres between the side cabinet and the retaining wall to get through to be able to open the cabinet for turning on the lights. Has the work been signed off as completed?

Ordinary Council Meeting Agenda on 20 April 2026

Business Arising from the Minutes

5. ORD 2024 11-265 Private Roads – No Name Road Page 29
   How much money has the Council spent to date since 10/12/2024 given it plans to spend another $100,000?
6. ORD2023 11-142 Freds Pass Reserve Expansion Page 30
   Why have the crown discussions been postponed as they could proceed while the proposed use plan is being developed and finalised?

All questions were taken on notice and will be responded to via email.

14 OFFICER REPORTS

14.1 Council Leadership

14.1.1 Nominations for LGANT Board

EXECUTIVE SUMMARY

This report provides Council the correspondence received from the Local Government Association of the Northern Territory (LGANT) inviting nomination to the LGANT Executive Board.

RECOMMENDATION

1. That Council nominates Cr Daisy Crawford and Cr Plaxy Purich to the Local Government Association of the Northern Territory Executive Board for the position of Board Director – Municipal and/or Vice-President - Municipal.

RESOLUTION OCM/26/179

Moved: Cr Kevin Harlan

Seconded: Cr Pauline Cass

CARRIED 5/0

14.2 Corporate Services

14.2.1 Litchfield Council Finance Report - August 2026

EXECUTIVE SUMMARY

This report presents the Litchfield Council Finance Report for 31 August 2026. Annual Budget 2026/27 figures are shown.

Operational Income reflects the entire year of rates levied. As expenses are incurred over the year, the current surplus position will gradually decrease.

The Balance Sheet has been updated in accordance with 2025/26 unaudited financial statements and Financial Reserves has been updated with original budget figures 2026/27.

The annual rates and waste charges were levied in July 2026. As instalment dates pass, the outstanding rates ratio will continue to decline.

RESOLUTION OCM/26/180

Moved: Cr Plaxy Purich

Seconded: Deputy Mayor Kris Civitarese

1. That Council note the Litchfield Council Finance Report 31 August 2026.

CARRIED 5/0

Unconfirmed

14.2.2 People and Performance Report – August 2026

EXECUTIVE SUMMARY

This report provides Council with key staffing information, workplace health and safety information and proposed major policy updates and reviews.
This report provides a monthly update to ensure that both staffing and budget measures are in accordance with the Council approved staffing plan and budget. The metrics provided in this report track activity and report full-time equivalent (FTE) numbers, retention and Work Health and Safety performance

RESOLUTION OCM/26/181

Moved: Cr Kevin Harlan

Seconded: Cr Plaxy Purich

1. That Council note the People, Performance and Governance Report for August 2026.

CARRIED 5/0

14.2.3 Borrowing Policy FIN13

EXECUTIVE SUMMARY

The purpose of the Borrowing Policy FIN13 sets out the circumstances under which Council might use debt as a source of funds and principles to be applied in relation to borrowing.

RESOLUTION OCM/26/182

Moved: Cr Kevin Harlan

Seconded: Deputy Mayor Kris Civitarese

That Council

1. receives and notes the information provided within this report.
2. il adopts the reviewed and updated policy FIN13 Borrowing Policy.
3. authorises the Chief Executive Officer to make the amendments.

CARRIED 4/1

14.3 Governance and Community

14.3.1 Governance and Community Monthly Report - August 2026

EXECUTIVE SUMMARY

This report provides a monthly update on key activities and services across the Governance and Community for August 2026.

RESOLUTION OCM/26/183

Moved: Cr Plaxy Purich

Seconded: Cr Pauline Cass

1. That Council receive and note the Governance and Community Monthly Report for August 2026 as at attachment 1 and 2.

CARRIED 5/0

14.3.2 Annual Community Survey Results

EXECUTIVE SUMMARY

This report presents to Council the results of the 2026 Litchfield Council Community Survey.

RESOLUTION OCM/26/184

Moved: Cr Pauline Cass

Seconded: Cr Plaxy Purich

That Council

1. thank the community members that provided feedback via the survey; and
2. receive and note the Litchfield Council 2026 Community Survey Report, as at Attachment A.

Item to be laid on table awaiting further information.

CARRIED 5/0

14.3.3 Draft Animal Management Strategy 2027-2030

EXECUTIVE SUMMARY

This report presents the Draft Animal Management Strategy and Action Plan 2027-2030.

RESOLUTION OCM/26/185

Moved: Cr Pauline Cass

Seconded: Deputy Mayor Kris Civitarese

1. That Council endorses the Draft Animal Management Strategy and Action Plan 2027–2030 for the purpose of public consultation from 28 September to 25 October 2026; and
2. receives a further report following the public consultation period outlining the feedback received and presenting the final Animal Management Strategy and Action Plan 2027–2030 for consideration.

CARRIED 4/1

14.3.4 HR14 Human Resource Management Policy

EXECUTIVE SUMMARY

This report presents draft policy HR14 Human Resource Management.

RESOLUTION OCM/26/186

Moved: Cr Kevin Harlan

Seconded: Deputy Mayor Kris Civitarese

1. That Council adopts Policy HR14 Human Resource Management, at attachment 1, and approves the Chief Executive Officer to make minor amendments.

CARRIED 5/0

14.3.5 EM06 Conflict of Interest Policy

EXECUTIVE SUMMARY

This report presents draft policy EM06 Conflict of Interest.

RESOLUTION OCM/26/187

Moved: Cr Plaxy Purich

Seconded: Cr Kevin Harlan

1. That Council adopts Policy EM06 Conflict of Interest, at attachment 1, and approves the Chief Executive Officer to make minor amendments.
2. Reinstate Elected Member and add Committee Member.

. **CARRIED 5/0**

14.3.6 Recreation Reserve Management Committee Minutes

EXECUTIVE SUMMARY

This report presents the minutes from recent meetings of the Knuckey Lagoon Recreation Reserve Management Committee and Howard Park Recreation Reserve Management Committee for Council to receive and note.

RESOLUTION OCM/26/188

Moved: Cr Kevin Harlan

Seconded: Cr Plaxy Purich

That Council receive and note:

1. the Knuckey Lagoon Recreation Reserve Management Committee meeting minutes 07 May 2026, as attachment 1.
2. the Howard Park Recreation Reserve Management Committee meeting minutes 11 March 2026, as attachment 2.
3. the Howard Park Recreation Reserve Management Committee meeting minutes 13 May 2026, as attachment 3.
4. the Howard Park Recreation Reserve Management Committee meeting minutes 09 July 2026, at Attachment 4.

CARRIED 4/1

14.3.7 Risk Management Audit Committee Open Minutes - 27 August 2026

EXECUTIVE SUMMARY

This report presents to Council the unconfirmed minutes of the Risk Management Audit Committee (RMAC).

RESOLUTION OCM/26/189

Moved: Cr Kevin Harlan

Seconded: Cr Pauline Cass

1. That Council receive and note the Risk Management Audit Committee unconfirmed open minutes from 27 August 2026 meeting, as at Attachment 1.

CARRIED 4/1

14.4 Infrastructure and Operations

14.4.1 Planning Summary Report - August 2026

EXECUTIVE SUMMARY

The purpose of this report is to provide to Council a summary of applications received, and comments provided, for the period of 1-31 August 2026. The following is a summary of all applications during the noted period.

Type of Application	No. Applications
Planning Scheme Amendment	1
Development Applications	4
Clearances for Development Permit Conditions	4
Sale, Lease, or Occupation of Crown Land Applications	1
Development Permits Issued	1
Liquor Licence Applications	1
Water Licence Applications	0
Mining Applications	0
Stormwater (Building Certification)/ Driveway Plan Reviews	34
Works Permits	29

Letters of comment for the noted development applications are provided for information in the attachments to this report.

RESOLUTION OCM/26/190

Moved: Cr Kevin Harlan

Seconded: Cr Plaxy Purich

THAT Council:

1. Receive the Summary Planning and Development Report for 1-31 August 2026.
2. Note for information the responses provided to relevant agencies within Attachments A to E of this report.

CARRIED 5/0

Confirmed

14.4.2 Application of Common Seal - Transfer of Sections 8643 & 8654 Hundred of Bagot to Litchfield Council

EXECUTIVE SUMMARY

Due to a processing error, the following sections of land within Stage 1 of "The Parks" were incorrectly titled to the Holtze Land Development Company instead of being titled to Litchfield Council.

Section 8643 and 8654 Hundred of Bagot are the entry parks to "The Parks" subdivision in Asche.

This report is administrative, seeking Council resolution to apply the Common Seal to the transfer of titles for the land title forms.

RESOLUTION OCM/26/191

Moved: Cr Kevin Harlan

Seconded: Cr Pauline Cass

That Council:

1. Approve the application of the Common Seal for the Land Titles Office General Consent forms relating to the transfer of title from Holtze Land Development to Litchfield Council for Section 8643, Hundred of Bagot and Section 8654, Hundred of Bagot.

CARRIED 5/0

14.4.3 Council Submission to the Legislative Scrutiny Committee in relation to the Lands and Planning Legislation Amendment (Red Tape Reduction) Bill 2026 (Serial 77).

EXECUTIVE SUMMARY

The purpose of this report is to provide Council with an opportunity to consider the *Lands and Planning Legislation Amendment (Red Tape Reduction) Bill 2026 (Serial 77)* (the Bill) and determine Council's position.

An officer-level submission was provided to the Legislative Scrutiny Committee within the Committee's submission timeframe. The submission was not made pursuant to a resolution of Council and does not represent a previously resolved Council position.

RESOLUTION OCM/26/192

Moved: Cr Kevin Harlan

Seconded: Deputy Mayor Kris Civitarese

That Council

1. notes the officer-level submission provided to the Legislative Scrutiny Committee regarding the *Lands and Planning Legislation Amendment (Red Tape Reduction) Bill 2026 (Serial 77)*;
2. determines Council's position on the Bill having regard to the officer submission at Attachment A; and
3. authorises the Chief Executive Officer to communicate Council's resolution to the Legislative Scrutiny Committee.

CARRIED 5/0

14.4.4 Lloyd Road Shared Path - Active Transport Fund

EXECUTIVE SUMMARY

Council previously considered community feedback regarding improved pedestrian and cyclist connectivity between the Lloyd Road Unit Complex and the Humpty Doo Commercial Precinct at the Strategic Discussion and Briefing session on 7 July 2026.

An opportunity has subsequently been identified to seek funding under Tranche 2 of the Australian Government's Active Transport Fund (ATF) for the proposed shared use pathway.

The preliminary project cost is estimated at **$360,000 excluding GST**, including site investigations, design, construction and a 10% contingency. The ATF may provide funding of up to 50% of eligible project costs, requiring an estimated Council contribution of **$180,000**.

The project is not currently included in Council's adopted capital works program. Accordingly, Council approval is required to allocate the estimated $180,000 contribution from Council reserves to enable the funding application to be submitted.

The ATF application closes at **5:00 pm on 30 September 2026**. Subject to Council's resolution, officers have capacity to prepare and submit the application within the required timeframe.

RESOLUTION OCM/26/193

Moved: Cr Pauline Cass

Seconded: Cr Plaxy Purich

That Council:

1. approve a Council contribution of up to $180,000 from Council reserves towards the proposed Lloyd Road shared use pathway, representing the estimated 50% Council contribution required for the project;
2. authorise Council officers to submit an application to Tranche 2 of the Australian Government Active Transport Fund for the design and construction of the proposed shared use pathway between the Lloyd Road Unit Complex and the Humpty Doo Commercial Precinct;
3. note that the current preliminary project cost is estimated at $360,000 excluding GST, and that the final project cost will be subject to further site investigations, design development and procurement;
4. note that the Council contribution may be required to increase if the final eligible project cost exceeds the current estimate, with any increase subject to further Council consideration; and

(a) 5. note that the proposed pathway would create an estimated ongoing maintenance and future renewal obligation of approximately $7,000 per annum, which is not eligible for ATF funding.

CARRIED 4/1

A Division was called by Cr Harlan
Those voting in the affirmative Mayor Wright, D/Mayor Kris Civitarese, Cr Purich and Cr Cass and
Those voting in the negative Cr Harlan

15 OTHER BUSINESS

Cr Civitarese – Swamp Dogs – is everything on track with the lightening. Can an update with the timeline be provided?

Cr Purich – Roads are talked about throughout the agenda, would be useful if there was a topic on roads which gives a summary on what has happened and what is happening.

Cr Purich – requested an update on the new suburb of Asche.

Cr Harlan – Stockwell/Lawton Road – due to the condition of the roads fire trucks were unable to drive down them during a fire last week and residents were told to evacuate. Can this be raised as a matter of urgency.

Cr Harlan – Thorak Cemetery – provided positive feedback regarding cemetery staff, noting their respectful conduct during a recent funeral service. Staff ceased operations and moved equipment aside while attendees departed, demonstrating consideration and professionalism. Also acknowledged that staff often receive negative feedback and wanted their positive efforts recognised.

Cr Harlan – would like to see the Asche welcome pack.

Cr Cass - continues to receive community concerns regarding the condition of roads, including potholes, road repairs and drainage, with particular concern about completing necessary works before the upcoming wet season.

Were questions are raised by Council members and are of an administrative nature they will be addressed in the following SD&B.

Unconfirmed

16 CONFIDENTIAL ITEMS

RESOLUTION OCM/26/194

Moved: Cr Kevin Harlan

Seconded: Deputy Mayor Kris Civitarese

Pursuant to Section 93 of the Local Government Act and Regulation 51 of Local Government (General) Regulations the meeting be closed to the public to consider the following confidential item(s):

16.1 Confidential Minutes of the Council Meeting held on 17 August 2026

This matter is considered to be confidential under Section 99(2) - ci of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

16.2 Confidential Minutes of the Extraordinary Council Meeting held on 1 September 2026

This matter is considered to be confidential under Section 99(2) - ci of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

16.3 Risk Management and Audit Committee Confidential Minutes 27 August 2026

This matter is considered to be confidential under Section 99(2) - d of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information subject to an obligation of confidentiality at law, or in equity.

16.4 Litchfield Community Library Operations

This matter is considered to be confidential under Section 99(2) - a of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information about the employment of a particular individual as a member of the staff or possible member of the staff of the council that could, if publicly disclosed, cause prejudice to the individual.

16.5 Assessment of Non-Rateable Properties

This matter is considered to be confidential under Section 99(2) - d of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information subject to an obligation of confidentiality at law, or in equity.

16.6 Road Seal Levy - Mango Road

This matter is considered to be confidential under Section 99(2) - d of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information subject to an obligation of confidentiality at law, or in equity.

16.7 Girraween Lagoon Subdivision

This matter is considered to be confidential under Section 99(2) - civ of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to sub regulation (3) - prejudice the interest of the council or some other person.

17 REPORTS OF CONFIDENTIAL RESOLUTIONS

Litchfield Rural Show - Proposal

EXECUTIVE SUMMARY

This report presents to Council a future proposal from the Litchfield Rural Show Inc Committee.

RESOLUTION OCM/26/172

Moved: Cr Daisy Crawford

Seconded: Cr Plaxy Purich

OPTION 1

THAT Council

1. Acknowledge the contribution of the Litchfield Rural Show as a major event for the Litchfield Municipality, supporting the display of local businesses, community groups and organisations and talent of residents and making a significant contribution to the local economy;
2. Continue to support the Litchfield Rural Show with a one-year funding agreement of $132,722 for the 2027 show, including the following in-kind contributions;
    - Water truck runs on 3 days to assist in dust mitigation
    - Coverage of show waste disposal charges at waste transfer station
3. Notes that any future funding for the event will be considered following Council's consideration of the budget implications and competing priorities at the 2027–2028 budget workshops in January 2027.

2. 2026.2027 Key Performance Indicators

EXECUTIVE SUMMARY

The Municipal Plan 2026 - 2027 Quarterly Performance Report July to September 2026 is presented to Council to highlight the organisation's progress towards implementing the Municipal Plan.

RECOMMENDATION

1. That Council receive the Municipal Plan 2026 - 2027 Quarterly Performance Report for the first quarter ending 30 September 2026

BACKGROUND

In accordance with good governance principles, this report presents the quarterly performance of the organisation against the Municipal Plan 2026 - 2027 for July to September 2026.

This report directly assesses the performance of the organisation against the set activities within the endorsed Municipal Plan 2026 - 2027. Specifically, the report highlights the Key Performance Indicators and measures the progress against these achieved in the quarter and further presents progress against the 'new initiative' projects.

As the level of reporting matures, the details and commentary within this report will become clearer and more useful and demonstrate more succinctly how the organisation is achieving its outcomes.

LITCHFIELD COUNCIL

Quarterly Performance Report: July to September 2026

LITCHFIELD COUNCIL

Quarter 1 Performance Report 2026-2027

The Best Place to Live in the Top End

Chief Executive Officer Overview

I am pleased to present the Chief Executive Officer's overview of our performance for the first quarter of 2026-2027.

Council delivered strong outcomes across services, infrastructure and strategic priorities in Quarter 1 2026-2027, supporting community wellbeing and organisational performance.

Corporate Services implemented the 2026/27 Budget and annual rates generation, while progressing the 2025/26 Annual Report through financial reporting, audit preparation and external audit support. The report reached draft stage by quarter-end, keeping Council on track to meet its statutory, governance and compliance obligations.

Community Services continued to achieve strong results during the quarter, with the Litchfield Community Library welcoming over 16,000 visitors, adding 296 new members and recording significant growth in program participation and loans. Regulatory Services also maintained strong animal management outcomes, with over 4,100 registered dogs and ongoing efforts in animal impoundment, reunification and rehoming.

Regulatory Services addressed 202 customer requests, mainly dog-related matters, issued 49 desexing vouchers and investigated 25 abandoned vehicles. The Draft Animal Management Strategy and Action Plan was released for consultation, with awareness programs planned for Q2 and an abandoned vehicle auction held in October 2026.

Thorak Regional Cemetery maintained high standards of safety, presentation and service delivery through seasonal maintenance, facility servicing and access improvements. Planning progressed for future burial and memorial areas, while the cemetery delivered 73 cremations, 39 burials and a range of chapel, memorial, marquee and pre-need services during the quarter.

The **People and Performance** team has had a busy quarter with Eight recruitment campaigns and onboarding of four new staff. Litchfield Council also celebrated NAIDOC Week and R U OK? Day where the staff were encouraged to have conversations with others and check in.

Community Engagement strengthened community wellbeing through major community events, youth programs, a citizenship ceremony welcoming 15 new Australians, and ongoing support for local groups through grants and Australia Day Awards nominations.

Mobile Workforce maintained roadsides, signage and fleet operations throughout the quarter, collecting 724 bags of litter, repairing 225 guideposts and replacing 302 road signs. New equipment purchases and proactive servicing ensured readiness for the wet season.

Planning and Development progressed key projects across the municipality, including construction of Stages 5–8 at The Parks development, completion of major works at Holtze Industrial, and ongoing design review of Stage 2 of Cyrus Park Estate. The team also continued to provide timely assessment and advice on development applications.

Infrastructure & Assets progressed major road, recreation and wastewater projects, including upgrades at Freds Pass Recreation Reserve, Whitewood Road and the Council Office wastewater treatment system

Waste Management Services delivered essential waste services while advancing key projects, including the Asche kerbside collection service, Waste Transfer Station upgrades, and the Residential Waste Disposal Fee Relief Program.

Quarter 1 reflects Council's continued commitment to delivering quality services and progressing the objectives of the 2026-2027 Municipal Plan.

STEPHEN HOYNE
CHIEF EXECUTIVE OFFICER

People and Performance and Workplace Health and Safety

The People and Performance team has had a busy quarter with Eight recruitment campaigns and onboarding of four new staff.

Litchfield Council also celebrated NAIDOC Week and R U OK? Day where the staff were encouraged to have conversations with others and check in.

Community Engagement

The Howard Park Open Day was a highlight of the quarter with approximately 550 residents, community groups and volunteer attending. The event celebrated the Howard Springs Fire 40th Anniversary and showcased the Howard Park facilities.

Council delivered 7 free school holiday programs across the municipality which included tennis lessons, skateboarding sessions, clay pottery and fabric printing. The program provided young people with opportunities for entertainment, skill development, creativity and self-expression in safe and welcoming environments. The strong participation demonstrated the value of accessible youth programming and provided opportunities for young people to connect with their peers, explore new interests and engage positively within their local community.

A citizenship ceremony was held in September, welcoming 15 new Australian citizens from 8 countries. The ceremony marked significant and memorable milestones for participants and their families, while celebrating the diversity, shared values and sense of belonging that strengthen the Litchfield community.

Corporate Services

In July 2026, the team successfully uploaded Budget 2027 and raised the rates for the 2027 financial year. A lot of work had been done prior to this event, resulting in a quick and smooth turnaround. Officers can now access the 2026 financial year budgets.

The work on the Council's Annual Report for the 2025-2026 financial year was very intense this quarter. The auditors from PKF Merrit were on-site for two weeks, and staff were busy preparing work papers and gathering information for the external audit for the 2025-26 financial year for at least a six-week period. The Annual Report has reached draft status by the end of this quarter.

Litchfield Community Library

16,111 visitors attended the library during the first quarter of 2026-2027, to borrow collection items, attend program activities, request tech help, access computer/wifi and printing/scanning services or to utilise the spaces provided. This equates to an average of 5,370 people seeking assistance at the front counter monthly and far surpasses our KPI of over 2,750 visitors per month.

The new membership has stabilised with 296 new members signing up.
Cannot be compared to Q1 of previous year, as included new library opening with an incredible 867 new members!
Comparison to 2024-25 at Taminmin Library for Q1 was 72 new members for full quarter. In 2026-27 Q1 the library is still averaging 98 new members each month.

The Funky Chicken Reading Club continues to be highly successful, with 57 new members for the first quarter, well surpassing our KPI of over 30 per quarter. NEED A PERCENTAGE?

The library recorded 8,288 quarterly loans of books, DVD's, spoken word, large print, card/board games and magazines (excludes item renewals). This compares to 5,920 for Q1 in 2025-26, demonstrating that although memberships are stabilising, access to the collection continues to grow this year.
The library team welcomed 2,108 attendees to 75 program activities during Quarter 1.
End September was the beginning of the school holiday program, which saw 433 children participating in 19 delivered library programs.

The library maintains a high level of engagement and connection with users, through an online presence with 1,900 Facebook followers.

Regulatory Services

At the end of the 1st Quarter 2026-2027, there were 4,114 dogs registered in Litchfield compared to 4,032 in Q4 2025-2026, 3,148 or 76.51% of those registered are desexed.

There were 58 dogs impounded in the **1st Quarter 2026-2027**, 13 more than Q4 2025-2026 (45), of these impounds 32 or 55.17% of impounded dogs were not desexed, 37 or 63.79% dogs were reclaimed by their owners. Of the unclaimed impounded dogs 12 were transferred to the rehoming organisations RSPCA and Save a Paw (eight and four respectively).

Three dogs were euthanised in the **1st Quarter 2026-2027**, which were not considered suitable for rehoming due to unsuitable temperament, illness/injury, or rescue organisations were at capacity and unable to receive them.

Regulatory Services attended to 202 Customer Action Requests in **1st Quarter 2026-2027**, nine less than (211) Q4 2025-2026. This represents 45.29% of the total received (446) for Council in Q1. Of these requests 110 (54.45%) related to dogs at large, contained dogs for pick up and lost dogs. There were six investigations conducted for dog attacks against people and 11 on other animals, five investigations of dogs menacing people, and three reports of dogs menacing other animals in the 1st quarter.

49 desexing vouchers were issued during the **1st Quarter 2026-2027, comparted to 47 in Q4 2025-2026, these vouchers can be redeemed with all Litchfield Vet Clinics and are valid for 3 months from date of issue.** The vouchers provide a $150 subsidy towards the cost of desexing, available only to registered dog owners within the Municipality also allowing owners to avail themselves of lifetime registration. Of the 49 vouchers issued in Q1 26/27 (49), 26 (53%) have been redeemed by the end of the first quarter.

25 reports of abandoned vehicles were received by Council for investigation and action in the **1st Quarter 2026-2027**. This is in comparison to 28 reports for Q4 2025-2026. Of the 25 reports, two CRMs were in progress, nine vehicles removed by their owners, no vehicles were impounded and none released this quarter and three vehicles reported were on non-council land and one vehicle was disposed of for scrap as it was in poor condition.

The team have not facilitated any Dog Awareness Programs in the 1st Quarter 2026-2027; however multiple sessions have been booked for the 2nd Quarter 2026-2027. These sessions educate children on how to be safe around dogs and include fun activities to embed the lessons learned during the session. These sessions are a great component of the Regulatory Services role and are well received by the students and teachers.

Thorak Regional Cemetery

Thorak Regional Cemetery continued its dry season maintenance program during the quarter, focusing on the presentation, safety and functionality of the grounds. Activities included targeted weed control, irrigation inspections and repairs where required, and high-pressure cleaning of concrete beams following the wet season.

Staff also continued removing deteriorated or unsafe floral and ornamental tributes to maintain a safe, tidy and respectful environment and clear access to gravesites and pathways.

The Chapel carpets were thoroughly cleaned, and the Cremator's annual service was completed to support reliable operation.

Recent rainfall of more than 24 mm over one week refreshed the lawns, trees, shrubs and garden areas, improving the appearance of the grounds as seasonal conditions changed.

Completed works on Deloraine Road were well received by staff, visitors and funeral service providers, improving access to the Cemetery and Chapel.

Stage 1 of the three-stage design process for Section H, the new headstone section, commenced. Planning continued towards the future installation of memorial beams to provide additional grave plots.

Mobile Work Force

This past quarter the MWF Team prioritised Signage replacement, guideposts, roadside rubbish collections as well as repairs and servicing of all vehicles and machines in prep for the up coming wet season. MWF resources were also utilised by working in conjunction with other departments such as Works, Waste Transfer and Cemetery to help in whatever capacity was needed. The MWF crew reduces its working crew from 13 to 6 during the dry season adapted for reduced workload over this period. Two new Kubota Buggies were purchased this quarter inline with the LC Vehicle replacement policy. Presently waiting on delivery. This is a positive step to lessen maintenance and repair costs replacing the old less reliable buggies. These will be utilised for weed spraying, litter collection and slashing fire watch. Two vehicle mounted Rapid Spray Units were also purchased under a tender process that will replace two of our oldest units that are used for our weed management program. At this stage all seven casual employees that were stood down after our wet season operations have indicated they will be returning to operating duties with LC MWF this approaching wet season. This is a great outcome saving on costs associated with recruitment, training and familiarisation of machinery and tasks.

SLASHING and MOWING: Minimal slashing was undertaken in this period due to minimal vegetation growth and fire restrictions. Many essential off season repairs of tractors, slashers and mowers were done by local service providers as well as inhouse by the MWF Crew in readiness for the upcoming season when the rain starts.

- ***This quarter saw 9.5 actual slashing Hours completed.***

WEED SPRAYING: Weed spraying this quarter was on standby during the dry season conditions although the past couple of weeks saw the team do some early suppression spraying of weed hotspots in rock baskets and hard to access heavily vegetated drains, working towards lessening the workload over the coming season.

- ***This quarter saw a total of 21.75hrs of hands-on spraying completed with a total of 5800 litres of herbicide mix used.***

LITTER COLLECTION: Roadside litter collection as well as retrieval of illegal dumping of general and industrial waste was continuous over the past quarter. This saw a significant increase in this space from the last quarter. Litter CRM's were acted upon well within acceptable time frames.

- ***Collection Hrs: 385***
- ***Bags of Litter: 724 (80L Bags)***
- ***3T Tipper loads general waste (Illegal dumping) x 7***
- ***Ute loads general waste (Illegal dumping) x 3***
- ***3T Tipper loads Green Waste x 5***
- ***Tyres: 15***
- ***Mattress x 4***
- ***Dead Animals x 4***

ROADSIDE SIGN INSTALLATION AND REPAIRS: Signage repairs/installations and guidepost replacements had been a major focus this last quarter for the MWF Crew.

Multiple CRM's involving damaged and stolen signage was attended to by the MWF crew keeping the municipality safe and compliant with Austroads regulations. Upgrades and replacement of floodway signage was also a major focus after the last damaging wet season

Total sign replacements this quarter:

- ***Labour Hours: 305***
- ***Regulatory Signs: 77***
- ***Warning Signs: 89***
- ***Hazard Signs: 57***
- ***LC Special Signs: 49***
- ***G5-1 Street Signs: 30***
- ***Traffic Counter Installs: 28***
- ***Guideposts Replace and Repair: 225***

Planning and Development

During the reporting period, the team continued to provide consistent and timely technical advice across a broad range of statutory planning and development matters.

Subdivision

- Stages 5 and 6 at "The Parks" (Asche) are currently under construction, with installation of the playground underway at John Hargrave Park (Town Park East) progressing to completion in October. Design approvals have been issued for Stages 7 and 8, with construction commenced.
- Works have been completed at Holtze Industrial, including upgrades to the intersection of Thorngate Road and Matthew Hopkins Road and Council is in the final stages of practical completion and defect liability.
- Cyrus Park Estate is still in design review for Stage 2 of its residential subdivision in Berry Springs.

Development

- Council provided a Letter of Comment on a proposed 20 x 3-bedroom development in Coolalinga. Following the September DCA hearing, the application has been deferred pending further information.

All planning applications currently on exhibition are available from Planning Notices Online.

INFRASTRUCTURE & ASSETS

Council continued delivering road rehabilitation, maintenance and major capital projects during the quarter. Works focused on addressing wet season damage, improving road safety and drainage, upgrading sporting facilities and replacing ageing wastewater infrastructure.

Key achievements included completion of pavement works on several roads, the Council Office wastewater treatment system and additional safety work at the Freds Pass AFL Oval. Construction also progressed on the netball facilities, rugby and soccer lighting upgrades, and waste transfer station asbestos remediation project.

Road Rehabilitation and Maintenance

Pavement rehabilitation works were completed on Deloraine Road, Finn Road, Ewart Road and Hopewell Road during the quarter.

Substantial subgrade failures were identified in sections of some roads during construction. Additional excavation and pavement reconstruction were undertaken to address the underlying problems and reduce the likelihood of premature pavement failure.

On Finn Road, subgrade issues near the first floodway from Jenkins Road were addressed. Subgrade and basecourse proof rolling supported construction of the rehabilitated pavement, including the section near the railway line.

Wheewall Road floodway reconstruction was also completed. Subgrade issues encountered during construction were resolved, and the road was sealed and reopened to the public in late August.

Reseal Program – RFT26-518
Pavement repair and patching works required ahead of the reseal program were completed.

A1 Plant and Civil's shoulder top up works were delayed as the preceding pavement patching took longer than anticipated. The shoulder top up works were expected to commence later in September, ahead of resealing by NT Bitumen and Asphalt.

These preparatory works support delivery of the reseal program and help protect the sealed road network.

Road Safety and Signage
Council's Works team and Mobile Workforce repaired damaged road signs and reviewed signage at the affected location. Additional signs and improved positioning provided clearer guidance for motorists and enhanced road safety.

Whitewood Road Reconstruction and Shared Path
The Whitewood Road reconstruction and shared path project is nearing completion by September.

Drainage works were substantially complete, including concrete-lined drains and a grassed swale along the southern side of the road. These improvements will assist stormwater management and protect the upgraded road infrastructure.

A final site inspection was planned to identify and confirm the remaining completion items.

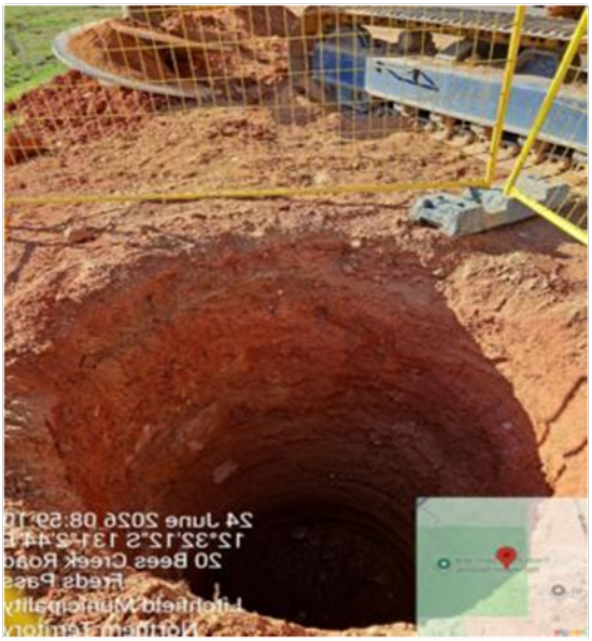

Freds Pass Recreation Reserve – Rugby and Soccer Lighting

Works continued on the rugby union and soccer field lighting upgrades.

By September, footings for all eight lighting towers and the associated trenching and conduit installation had been completed. The Power and Water Corporation main switchboard had been installed, and cabling between the main switchboard and rugby distribution board was progressing.

Some soccer field works were temporarily paused during the playing season to maintain the required run off area around the field.

Power and Water Corporation advised that transformer upgrades were expected to occur by the end of September. These upgrades form an essential part of the electrical infrastructure required for the new lighting.

Freds Pass Recreation Reserve – Netball Courts and Change Rooms

The contractor commenced onsite works in early July. Demolition of the former community hall and the required tree removal were completed.

Early works took longer than anticipated because of additional efforts to recover and recycle building materials and the discovery of previously undocumented water and irrigation services.

Civil works subsequently progressed, with most civil works associated with the courts and buildings completed by early September. Approximately 80% of the in-ground services had been installed by mid-September, and concrete works were progressing.

The project will provide four competition standard netball courts with lighting, player amenities, public toilets, a new car park and associated services and landscaping.

Freds Pass AFL Oval – Retaining Wall and Handrail

A retaining wall and handrail were completed near lighting Tower 5 during September.

The works addressed a steep embankment created during the lighting installation, providing a barrier to protect players and members of the public while also protecting the new lighting infrastructure.

Freds Pass Recreation Reserve – Lake Improvements

Grant funding from the Department of Fisheries supported planned improvements to the expanded lagoon.

The project includes a power supply for aerators and two new picnic tables to support lagoon management and improve community use of the area.

Council Office Wastewater Treatment System – RFT25-515

The Council Office wastewater treatment system upgrade was completed in September.

The works included a larger holding and treatment tank and an expanded absorption trench system. The trenches were relocated further from the office to reduce interaction with traffic and daily site activities.

The completed system replaces ageing infrastructure and provides the additional capacity required for current office operations.

Lakeview Hall Wastewater Treatment System – RFT26-543

The contract was awarded to Earthform Civil and Plumbing Pty Ltd in August.

Following the start up meeting and construction planning, onsite works commenced in September. Preparations included arrangements for tree removal and temporary ablution facilities.

The upgraded system will increase wastewater treatment capacity and support growing use of the hall and surrounding facilities, including polocrosse activities.

Howard Springs and Humpty Doo Waste Transfer Stations – Asbestos Remediation – RFT25-500

The asbestos remediation and containment cell construction contract was awarded to NTEX Pty Ltd in August.

A stakeholder start up meeting was held on 1 September, involving Council, the NT Environment Protection Authority, the Environmental and Land Auditor, Stantec, NTEX and specialist project representatives.

The meeting addressed environmental and regulatory requirements, occupational hygiene controls, construction methodology, inspection and testing, hold points and project close out requirements.

Site establishment commenced during September. Temporary fencing and barricades were installed at both sites, and site facilities were delivered to Howard Springs. NT WorkSafe was notified, and asbestos removal control plans and safe work method statements were submitted for review.

The containment cell footprint was surveyed and marked out, with clearing and grubbing underway in preparation for construction.

Waste Transfer Station Office

The contract for the new office demountable at Humpty Doo Waste Transfer Station was awarded to JK Constructions NT during the quarter. A start-up meeting was held, and design work commenced, with initial drawings expected at the 30% design stage.

McMinns Lagoon Bore

Planning continued for the McMinns Lagoon bore, with Council and the contractor finalising the site layout.

In early September, the contractor advised that its drilling team was expected to commence onsite in approximately six weeks.

Contracts Awarded During the Quarter

- **RFT25-500 – Asbestos Remediation and Containment Cell Construction**
  Awarded to NTEX Pty Ltd for $1,059,965.30 excluding GST.

- **RFT25-514 – Design and Construction of Office Demountable – Humpty Doo Waste Transfer Station**
  Awarded to JK Constructions NT for $119,842.11 excluding GST.

- **RFT26-543 – Lakeview Hall Wastewater Treatment System Replacement and Associated Works**
  Awarded to Earthform Civil and Plumbing Pty Ltd for $171,289.08 excluding GST.

Tender Advertising

RFT26-564 – Period Contract for Sealed Pavement Maintenance was advertised during the quarter. The tender sought a suitably qualified and resourced contractor to deliver routine and programmed maintenance across Council's local roads, driveway crossovers and shared paths. The updated closing date was 7 September 2026.

WASTE SERVICES

Waste Management continued to deliver essential services and expand resource recovery initiatives during Quarter 1 of the 2026/27 financial year, transporting 1,609.65 tonnes of residential waste and 34.51 tonnes of commercial waste to the Shoal Bay Waste Management Facility.

Council's revised Fees and Charges have improved cost recovery for commercial waste, tyre recycling and used motor oil disposal. However, rising residential waste disposal costs and the high cost of processing cardboard and co-mingled recyclables continue to place pressure on operational budgets.

Council collected 93 tonnes of dry recyclables and 7.65 tonnes of eligible 10-cent refund containers during the quarter, with container collections on track to achieve the annual target of 30 tonnes. Growing demand for e-waste recycling has also prompted Council to order a record number of collection cages ahead of the first collection for the financial year.

Resource recovery initiatives have generated $28,348.06 for community grants this financial year. Regular collections of batteries, copper cabling and air conditioners continue, while the separation of aluminium road signs from general scrap metal by Mobile Workforce has established an additional revenue stream.

Preparations are underway for Council's first green waste mulching program of the financial year, with scrap metal baling scheduled following the wet season. While Council's 30% waste diversion target was not achieved this quarter, diversion rates are expected to improve significantly once scrap metal processing recommences.

Council also took delivery of its new compactor bin for the Humpty Doo Waste Transfer Station, improving operational efficiency and supporting the ongoing management of increasing waste volumes at the facility.

Council has awarded the contract for the new Asche kerbside waste collection service, with the delivery of general waste bins to eligible properties scheduled to commence on the 12th of October. This marks an important milestone in expanding Council's waste collection services to support the growing Asche community.

Council also commenced its Residential Waste Disposal Fee Relief Program on 1 September 2026, providing eligible Litchfield residents with free disposal of up to two mattresses, fridges, freezers, air conditioners or gas bottles per visit at the Humpty Doo Waste Transfer Station.

During the first month of the program, Council waived $13,193 in disposal fees, covering 430 items, including 197 fridges and freezers, 144 mattresses, 50 gas bottles and 39 air conditioners. The initiative is helping reduce waste disposal costs for rural households while encouraging responsible waste disposal and recycling.

Community Development

2026/2027 Key Performance Indicators

Key Outputs	Measures	Target	On Time/Target for Qtr	On Time/Target (YTD)	On Budget for Qtr	On Budget (YTD)	Status Commentary
PEOPLE							
Council partnership and support grants	Number of partnerships, sponsorships or collaborative initiatives supported	5 partnerships supported annually	yes				60% of goal achieved
Community Reserves and Local Goups	Funding agreements established for all reserves	Funding agreements for 6 reserves delivered and maintained	yes				sufficiently delivered and maintained
	Engagement with reserve boards and permanent users	Minimum 1 engagement with all permanent users and reserve boards annually	yes				on target for quarter
	Maintain day to day operations of Council managed reserves	Complete 2 budget reviews annually, action requests within 10 business days where practicable	yes				sufficiently delivered and maintained
Community Funding Programs	Delivery of the Annual Community Grants Program	Minimum 8 annual grants awarded	yes				campaign ongoing, on target for quarter
	Delivery of Council grant programs including youth development and community initiatives	Minimum 28 youth grant and 3 community initiatives supported	yes				70% of goal achieved
Australia Day Event	Delivery of Australia Day event annually with wide range of community participation	Event delivery; community participation of 300 community members maintained or increased	yes				planning in progress, on target for quarter
Arts and Cultural Initiatives	Delivery of arts or cultural initiatives such as exhibitions or creative programs	1 major arts initiative delivered annually	yes				planning in progress, on target for quarter
Youth Engagement and Development	Youth-focused initiatives, programs or partnerships supported	Minimum 150 young people engaged annually	yes				60% of goal achieved, programs delivered sufficiently

Community Development **2026/2027 Key Performance Indicators**

Planning for Events, Programs and Community Development	Planning and coordination of events, initiatives and community development activities	Minimum 3 projects developed and coordinated annually	yes				programs delivered sufficiently, on target for quarter

PEOPLE							
Efficient maintenance of grounds and open spaces, including improved mowing,planting, weeding, and irrigation regimes	Service level rating from annual community survey	>60%	YES	YES	YES	YES	The service level rating target was achieved. Ongoing irrigation improvements and proactive mowing, planting, weeding and grounds maintenance supported service delivery and operational efficiency.
PROSPERITY							
Ensure Water Extraction Licence is kept within limits by managing water use efficiency	Maintain within allocated water allowance extraction license while maintaining green spaces	Complete	YES	YES	YES	YES	Water use and irrigation schedules were closely monitored and adjusted to maximise water efficiency. Current extraction remains on track to stay within the licensed allocation while maintaining an acceptable standard of green spaces across Thorak Cemetery.
PLACES							

Thorak Cemetery

2026/2027 Key Performance Indicators

Maintain operation maintenance regimes including cremator maintenance, test and tag, generator maintenance, fleet and plant servicing, and registration	Completion as per schedules and agreements in place	Complete	YES	YES	YES	YES	Completed maintenance included the annual cremator service, chapel carpet cleaning and annual water filter replacement. Quarterly water testing confirmed the water supply met applicable water quality standards. The Hustler mower's 1,000-hour service and the Kubota RTV's 1,800-hour service were completed, along with electrical testing and tagging in August.
PERFORMANCE							
Maintain Social Media Communications to ensure council's presence in the market and sustain cremation revenue at a minimum of 30%	Maintain social media involvement in the community, monitor engagement levels, and track cremation service revenue to ensure it remains at or above 30%	>30%	YES	YES	YES	YES	Thorak Cemetery, Chapel and Crematorium services continued to be promoted through hospital staff, the website, information pamphlets and Yellow Pages advertising. Returning families also contributed to ongoing awareness of the services. Overall awareness and engagement remained stable throughout the reporting period.

Waste

2026/2027 Key Performance Indicators

Key Outputs	Measures	Target	On Time/Target for Qtr	On Time/Target (YTD)	On Budget for Qtr	On Budget (YTD)	Status Commentary
PEOPLE							
Community Benefit Fund Income	Income raised through recycling activities including cash for containers	$40,000.00	Yes	Yes	Yes	Yes	A total of $28,348.06 has been raised for community grants in the 2026/27 financial year to date.
PROGRESS							
Recycled materials	Green waste processed for resale	Once per year	Yes	Yes	Yes	Yes	The first green waste mulching program for the 2026/27 financial year is scheduled to commence shortly.
	Residential waste tonnage transferred to Shoal Bay	<7,300 tonnes	Yes	Yes	No	No	During this quarter, Council transported 1,609.65 tonnes of residential waste to the Shoal Bay Waste Management Facility for disposal. Due to increased waste disposal costs, expenditure is currently exceeding the allocated budget.
	Commercial waste tonnage transferred to Shoal Bay	<500 tonnes	Yes	Yes	Yes	Yes	To date in the 2026/27 financial year, Council has transported 34.51 tonnes of commercial waste to the Shoal Bay Waste Management Facility for disposal. Following the increase in commercial waste disposal fees, Council is successfully recovering the associated disposal costs.

Waste

2026/2027 Key Performance Indicators

Maximise diversion from landfill	Quantity of cash for containers collected and recycled	>30 tonnes	Yes	Yes	Yes	Yes	During the first quarter of the 2026/27 financial year, Council collected 7.65 tonnes of eligible 10-cent refund containers, placing Council on track to achieve its annual collection target of 30 tonnes by the end of the financial year.
	Electronics collected for TechCollect	>50 tonnes	Yes	Yes	Yes	Yes	The first e-waste collection for the 2026/27 financial year is scheduled for next week, with Council ordering a record number of collection cages to accommodate the growing community demand for e-waste recycling.
	Tyres, batteries and oil collected for recycling	Once Per Year	Yes	Yes	Yes	Yes	Following the revision of Council's Fees and Charges, tyre disposal fees are now covering associated recovery and recycling costs. Council has also commenced charging commercial operators for used motor oil disposal, ensuring these services operate on a cost-recovery basis and reducing the financial burden on ratepayers.

Waste

2026/2027 Key Performance Indicators

	Scrap metal processed collected and recycled	Once Per Year	Yes	Yes	Yes	Yes	Scrap metal baling is scheduled to occur following the wet season, with regular collections of copper cabling, batteries and air conditioners already underway. For the first time, Council has separated old aluminium road signs from the general scrap metal waste stream, creating an additional revenue stream to support community grants while improving resource recovery outcomes.
PROSPERITY							
Develop Waste Strategy	Completion of strategy document, including stakeholder consultation and council approval	Completed	N/A	N/A	N/A	N/A	Development of Council's next Waste Management Strategy is pending publication of the new Strategic Plan to ensure alignment with Council's overarching strategic priorities and objectives.
PERFORMANCE							

Waste

2026/2027 Key Performance Indicators

Maximise diversion from landfill	Amount of total waste diverted from Landfill	>30%	Yes	Yes	No	No	Council has not achieved its 30% waste diversion target this quarter, primarily due to the timing of scrap metal baling activities, which account for the largest proportion of Council's total waste diversion. As scrap metal baling is scheduled to occur following the wet season, the diversion rate is expected to improve substantially once this material is processed and recorded. Due to the high costs associated with processing dry recyclables, Council is not currently achieving cost recovery for cardboard and co-mingled recycling. However, most of the other recycling streams are either operating on a cost-neutral basis or generating revenue to support Council's community grants program.

Waste

2026/2027 Key Performance Indicators

	Amount of total waste that is dry recyclables i.e cardboard and plastic	>14%	Yes	Yes	No	No	During the first quarter of the 2026/27 financial year, Council collected 93 tonnes of dry recyclables. This is below the targeted 14% diversion rate; however, Council continues to work towards achieving this goal. The high costs associated with processing cardboard and co-mingled recyclables, largely due to the limited availability of regional recycling processors, have resulted in expenditure exceeding the allocated budget.

14.1.2 Litchfield Council Finance Report - September 2026

AUTHOR: Xixi Li, Finance Program Leader

AUTHORISER: Ankit Pansal, Director Corporate Services

ATTACHMENTS: 1. Litchfield Council Finance Report September 2026

EXECUTIVE SUMMARY

This report presents the Litchfield Council Finance Report for 30 September 2026. Annual Budget 2026/27 figures are shown.

Operational Income reflects the entire year of rates levied. As expenses are incurred over the year, the current surplus position will gradually decrease.

The Balance Sheet has been updated in accordance with 2025/26 unaudited financial statements and Financial Reserves has been updated with original budget figures 2026/27.

The annual rates and waste charges were levied in July 2026. As instalment dates pass, the outstanding rates ratio will continue to decline.

RECOMMENDATION

1. That Council note the Litchfield Council Finance Report 30 September 2026.

BACKGROUND

Detailed financial information is presented on the following pages.

LINKS WITH STRATEGIC PLAN

Performance - An Effective and Efficient Organisation

LEGISLATIVE AND POLICY IMPLICATIONS

This report complies with the Local Government Act 2019, Local Government (General) Regulations 2021, Division 7, Financial Matters, Department of the Chief Minister, and Cabinet - Form: Monthly Financial Reports, Council's policies, and Australian Accounting Standards.

FINANCIAL IMPLICATIONS

Nil

RISKS Financial

The Council's current revenue levels fall short of funding the required asset renewal expenditure. As a result, there are long-term financial sustainability challenges concerning the renewal and upgrade of existing assets, including buildings, roads, and irrigation infrastructure. Therefore, council continues to discuss avenues to increase investment in this area.

No	Indicates that the relevant aspect is not as planned and not on schedule for various reasons
	Indicates that there are external aspects that are impacting the schedule, whether it be weather dependent or reliant on a 3rd party approval

Notes:

1. Projects that are planned to be completed in the following financial year, are considered to be 'on time', provided they are meeting the projects planned proposed project timeline.
2. Grant funded projects do not necessarily have financial year completion dates. Reporting on 'on time' and 'on budget' will be reported based on the specific projects project planned timeline.
3. Projects in the Carried Forward table, are not necessarily considered 'not on time' if planned to be completed to be that way. (noting as per the above)
4. Projects that are marginally behind their 'on time' OR considered that they will still be completed by the project end date, are being considered as 'on time'.

Total	**$25,221.32**		

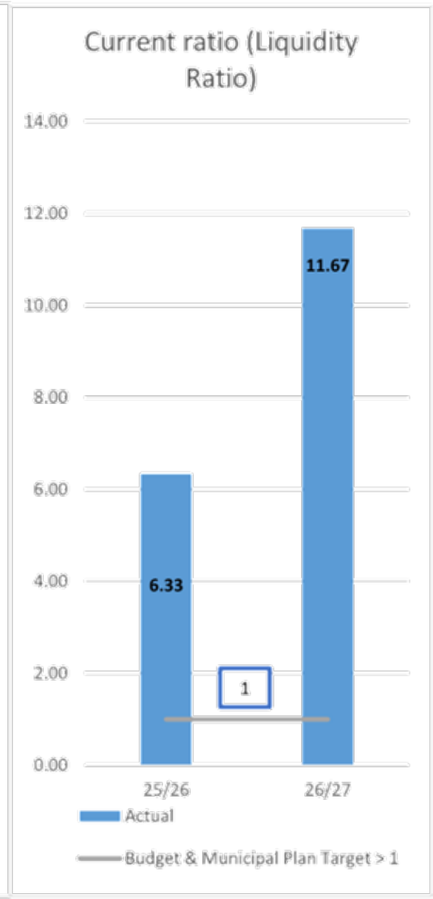

FINANCE KEY PERFORMANCE INDICATORS (KPI)

Council's 2026/27 Municipal Plan includes the following financial KPIs.

Indicates if Council is replacing or renewing existing assets in a timely manner as the assets are used up.	Identifies if Council is collecting rates and charges in a timely manner and the effectiveness of debt recovery efforts.	This ratio measures the degree to which Council relies on external funding to cover its operational expenses.	Identifies Council's ability to meet its short-term financial commitments as and when they fall due.	Indicates Council's ability to repay loans.

KPI	Explanation
Asset Sustainability Ratio	Council's Asset Sustainability Ratio for the month of September is 9% which below from the Municipal Plan target of greater than 30%. However, the current Long-term Financial Plan shows insufficient levels of revenue to fund long-term infrastructure renewal needs of the Council. The risk exists that Council's current levels of revenue will not be sustainable in the long-term to address a growing backlog of infrastructure replacement needs in future.
Outstanding Rates Ratio	In the absence of a local government industry standard benchmark, a benchmark of 5% for City Councils and 10% for Regional Councils is considered best practice and is used by many jurisdictions across Australia. Council's Outstanding Rates Ratio of 12% is less than the Municipal Plan target of less than 18%. However, council needs to continue work in this area as a growing outstanding rates ratio increases liquidity risk and places a burden on Council's existing resources.
Own Source Revenue Ratio	This ratio indicates Council's ability to pay for its operational expenditure through its own revenue sources. The higher the ratio the more self-reliant a Council. In other words, the higher the ratio the less Council must rely on external grants to provide services to the community. A ratio of 40% to 60% is considered as a basic level, between 60% to 90% is considered intermediate level and more than 90% is considered advanced level. Council's Own Source Operating Revenue Coverage ratio of 71% is above the Municipal Plan target of greater than 60%.
Current Ratio (Liquidity Ratio)	A ratio of greater than 1 is required to provide assurance that Council has enough funds to pay its short-term financial commitments. Council's Current Ratio of 11.67 sits favourably against the Municipal Plan target and benchmark of 1. This ratio indicates Council is well placed to fulfill its short-term liabilities as and when they fall due.
Debt Service Ratio	Council has no debt and therefore fully meets the Municipal Plan Target of less than 1.

*Infrastructure back-log refers to capital replacement (renewal) cost not spent to bring assets to a satisfactory condition. ** Own Source Revenue refers to revenue raising capacity excluding all external grants, that is, through rates, charges, user fees, interest income, profit on disposal of assets etc.

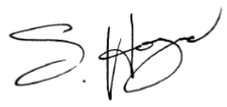

CERTIFICATION BY THE CEO TO THE COUNCIL

Council Name: Litchfield Council
Reporting Period: 30.09.2026

That, to the best of the CEO's knowledge, information, and belief:

(1) The internal controls implemented by the council are appropriate; and

(2) The council's financial report best reflects the financial affairs of the council.

CEO Signed:  **Date Signed:** 14/10/2026

14.1.3 People and Performance Report – September 2026

AUTHOR: Ankit Pansal, Director Corporate Services

AUTHORISER: Stephen Hoyne, Chief Executive Officer

ATTACHMENTS: 1. People and Performance Report September

EXECUTIVE SUMMARY

This report provides Council with key staffing information, workplace health and safety information and proposed major policy updates and reviews.
This report provides a monthly update to ensure that both staffing and budget measures are in accordance with the Council approved staffing plan and budget. The metrics provided in this report track activity and report full-time equivalent (FTE) numbers, retention and Work Health and Safety performance

RECOMMENDATION

1. That Council note the People, Performance and Governance Report for September 2026.

BACKGROUND

Litchfield Council strongly values our people and good governance. This monthly report will ensure that important information is presented to understand any trends occurring and for the organisation to understand the factors influencing staff, their safety and policy initiatives.

LINKS WITH STRATEGIC PLAN

Performance - An Effective and Efficient Organisation

LEGISLATIVE AND POLICY IMPLICATIONS

Nil

FINANCIAL IMPLICATIONS

Nil

Risks Public liability issues result from safety breaches by residents at Council's Waste Transfer Stations. Risk registers, standard operating procedures, and implementation of safety measures (e.g., education, signage etc) are used to reduce hazards during tasks and operations.

Service Delivery

Due to our location and market position, ongoing risks exist around the attraction of qualified staff into critical roles and retention of critical staff needed to deliver Council's business plans. Risks are being managed through several means, including implementing innovative HR practices and strengthening council's positive work culture to attract and retain talent.

Workplace Health and Safety:

There was one work health and safety injury recorded for September.

- A staff member sustained a minor injury while carrying out their normal work duties.

14.1.4 Related Party Disclosure FIN11

AUTHOR: Paul Stephson, Senior Accountant

AUTHORISER: Ankit Pansal, Director Corporate Services

ATTACHMENTS:
1. FIN11 Related Party Disclosure Policy
2. FIN11 Related Party Disclosure Form
3. FIN11 Related Party Disclosure Privacy Collection Notice

EXECUTIVE SUMMARY

This policy assists Council in complying with the disclosure requirements under AASB 124 Related Party Disclosures.

This policy provides the tools to:

- Identify related parties, information, and transactions about those parties;
- Establish a system to capture and record transactions and information about those transactions;
- Identify circumstances in which a disclosure is required; and
- Determine the disclosures to be made about those items in the Annual Financial Statements for complying with AASB 124.

RECOMMENDATION

1. That Council adopts the revised FIN11 Related Party Disclosure Policy, as attached to this report.

BACKGROUND

The policy has been reviewed by the Litchfield Regional Council finance staff and is consistent legislative requirements.

Updated position title of Manager Corporate Services to Director Corporate Services. Amend citations of the *Local Government Act 2019 (NT)* and Australian Accounting Standards.

Inclusion of Definition of Other Entity rather than just citing AASB 124 paragraph 9 (b) (iii), (iv), (v) and (viii).

Other Entity

Other entities that are related parties in accordance with AASB 124 paragraph 9(b), including:

- entities that are joint ventures of the same third party;
- entities where one is a joint venture and the other an associate of the same third entity;
- post-employment benefit plans for employees of Council or related entities; and
- entities that provide key management personnel services to Council or its parent entity.

Improvement of disclosure requirement from 30 June each year to: -

KMP must provide an updated disclosure within 30 days of becoming aware of a new related party relationship or transaction.

Related Party Disclosure **POLICY** FIN11

Name	FIN11 Related Party Disclosure
Policy Type	Council
Responsible Officer	Director ~~of~~ Corporate Services
Approval Date	6/10/2026
Review Date	7/10/2030

1. Purpose

This policy assists Council in complying with the disclosure requirements under AASB 124 Related Party Disclosures.

This policy provides the tools to:

- Identify related parties, information and transactions about those parties;
- Establish a system to capture and record transactions and information about those transactions;
- Identify circumstances in which a disclosure is required; and
- Determine the disclosures to be made about those items in the Annual Financial Statements for complying with AASB 124.

2. Scope

Local Government Act 2019, *Section 207* and ~~Section 13 of the~~ *Local Government (General) Regulations 2021* *Section 13* require Council to prepare financial statements for each financial year in line with the accounting standards. For annual periods beginning on or after 1 July 2016 Council will comply with the Related Party Disclosures under AASB 124.

3. Definitions

For the purposes of this Policy, the following definitions apply:

Arm's length terms	Terms between parties that are reasonable in the circumstance of the transaction, where both parties have acted in their own interest, in the absence of the parties being related or influenced by the other.
Close family members or close members of the family	Are those family members who may be expected to influence, or be influenced by that key management person in their dealings with Council and include: - That person's children and spouse or domestic partner; - Children of that person's spouse or domestic partner; and - Dependants of that person or that person's spouse or domestic partner. For the purpose of the AASB 124 close family members can include extended members of a family, if they could be expected to influence, or be influenced by, the key management person in their dealings with Council.

Control	Control of an entity is present when there is: - Power over the entity; and - Exposure or rights to variable returns from involvement with the entity; and - The ability to use power over the entity to affect the amount of returns received.
Joint Control	The contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.
Key management personnel or key management person (KMP)	Person(s) having authority and responsibility for planning, directing and controlling the activities of Council, directly or indirectly. Specifically, KMP of Council are: - The mayor; - Elected members; - The ~~chief~~ Chief E~~e~~xecutive O~~o~~fficer; - The directors; - Other officers with delegations under the ~~Section 168~~ *Local Government Act 2019 (NT) Section 168*.
Ordinary Citizen Transactions	Transactions that an ordinary citizen would undertake with Council, which is undertaken on arm's length terms and in the ordinary course of carrying out Council's functions and activities. (e.g. Paying rates or other charges, using Council's public facilities as an individual)
Related party	Is a person or entity that is related to the reporting entity. i. Council subsidiaries; ii. Entities who are associates of Council and Council subsidiaries; iii. Joint ventures in which Council or a Council subsidiary is a joint venturer; iv. Council's KMP; v. A close family member of a KMP of Council; vi. Entities controlled by a KMP of Council; vii. Entities controlled or jointly controlled by a close family member of a KMP of Council; viii. Other entities as specified in AASB 124, paragraph 9(b)(iii),(iv),(v) and (viii).

Other Entity	Other entities that are related parties in accordance with AASB 124 paragraph 9(b), including: • entities that are joint ventures of the same third party; • entities where one is a joint venture and the other an associate of the same third entity; • post-employment benefit plans for employees of Council or related entities; and • entities that provide key management personnel services to Council or its parent entity.
Related party transaction	Is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.
Reporting entity	Is the entity that is preparing its financial statements.

4. Policy Statement

4.1. Disclosure Requirements under AASB 124

To comply with AASB 124, for annual period beginning on or after 1 July 2016, Council will make the following disclosures in its General Purpose Financial Statements.

4.1.1 Key management personnel (KMP) compensation in total and for each of the following categories[1]:

- Short-term employee benefits;
- Post-employment benefits;
- Other long-term benefits; and
- Termination benefits.

4.1.2 Amounts incurred by Council for the provision of KMP services that are provided by a separate management entity[2].

4.1.3 For each category of transactions with a related party (as defined in this policy), Council will disclose the following information in Litchfield Council's General Purpose Financial Statements:

[1] See AASB 124, paragraph 17 and 17A
[2] See AASB 124, paragraph 18A

- The nature of the related party relationship;
- The amount of the transactions;
- The amount of outstanding balances, including commitments, and:
  - Their terms and conditions, including whether they are secured, and the nature of the consideration to be provided in settlement; and
  - Details of any guarantees given or received;
- Provisions for doubtful debts related to the amount of outstanding balances; and
- The expense recognised during the periods in respect of bad or doubtful debts due from related parties.

4.1.4 For each related party category specified in the definition of this policy, Council will disclosure information specified in Section 4.1.3 for related party transactions of similar nature in aggregate except when separate disclosure is necessary for an understanding of the effects of related party transactions on the Financial Statements of Council having regards to the following criteria:

- The nature of the related party relationship;
- The significance of the transaction (individually or collectively) in terms of size or value;
- Whether the transaction is carried out on non-arm's length terms;
- Whether the nature of the transaction is outside normal day-to-day business operations.

Decision on disclosure in aggregate or separate will be made in consultation with the Council's external auditor.

4.2. Identifying Council Related Party Relationships and Transactions

4.2.1. The Director Corporate Services is responsible for identifying Council subsidiaries, associates and joint ventures (incorporated and unincorporated).

4.2.2. To determine whether Council has control or joint control of an entity, the ~~Manager~~ Director Corporate Services is responsible for applying AASB 10 – Consolidated Financial Statements and AASB 11 – Joint Arrangements.

4.2.3. To determine whether an entity is an associate of, or in a joint venture with Council or a Council subsidiary the ~~Manager~~ Director Corporate Services is responsible for applying AASB 128 – Investments in Associates and Joint Ventures.

4.2.4. Related party transactions are identified through Council's electronic business system and the ~~Manager~~ Director Corporate Services is responsible to extract the information specified in Section 4.1.3 for the register of related party transactions. Furthermore, the ~~Manager~~ Director Corporate Services is responsible to investigate any related party transactions as specified in Section 4.1.3 that are not kept in the electronic business system through manual investigation.

4.3. Identifying Related Party Transactions with KMP and their Close Family Members

KMP must provide a related party disclosure, notifying any existing or potential related party transactions between Council and either themselves, their close family members or entities controlled or jointly controlled by them or any of their close family members to the Chief Executive Officer.

4.3.1. Related Party Disclosure Form

At least 30 days before a specified notification period, the ~~Manager~~ Director Corporate Services will provide KMP with a Related Party Disclosure Form (Attachment A) and a Privacy Collection Notice (Attachment B).

4.3.2. Suspected Related Party Transaction

If a KMP suspects that a transaction may constitute a related party transaction, the KMP should provide a related party disclosure on the appropriate form to the Chief Executive Officer.

4.3.3. Specified Notification Periods

KMP have to provide a Related Party Disclosure Form in the following periods during a financial year:

- 30 days after a KMP commences their term of employment with Council;
- ~~30 June each year.~~KMP must provide an updated disclosure within 30 days of becoming aware of a new related party relationship or transaction.
-

4.3.4. Other Notifications

The notification requirements under Section 4.3 are in addition to notifications a KMP must make to comply with other existing policies of Council.

4.3.5. Exclusions

The notification requirements under Section 4.3 do not apply to:

- (For staff) transactions disclosed under Section 4.1.1 (e.g. Salary and other employee benefits)
- (For elected members) transactions governed by Council policy EM05 *Elected Members Benefits and Support Policy*
- Transactions classified as ordinary citizen transactions as defined in this policy.

4.3.6. Information Extraction

Related party transactions are identified through Council's electronic business system and the ~~Manager~~ Director Corporate Services is responsible to extract the information specified in Section 4.1.3 for the register of related party transactions. Furthermore, the ~~Manager~~ Director Corporate Services is responsible to investigate any related party transactions as specified in Section 4.1.3 that are not kept in the electronic business system through manual investigation.

4.3.7. Other Sources of Information

To ensure all related party transactions are captured and recorded, the ~~Manager~~ Director Corporate Services is responsible for reviewing, if required, other sources of information held by Council including, but not limited to:

- A register of interests of a KMP and of persons related to the KMP;
- Minutes of Council and committee meetings;
- Council's Contracts' Register
- Council's Tender Register
- Gifts and Benefits Register

4.4. Register of Related Party Transactions

The ~~Manager~~ Director Corporate Services is responsible for maintaining and keeping up to date a register of related party transactions that captures and records information specified in Section 4.1.3 for each existing or potential related party transaction during a financial year.

4.4.1. Contents of the Register

The contents of the register of related party transactions must detail for each related party transaction:

- The description of the related party transaction;
- The name of the related party;
- The nature of the related party's relationship with Council;
- Whether the notified related party transaction is existing or potential;
- A description of the transactional documents subject to the related party transaction;
- The information specified in Section 4.1.3 of this policy.

4.5. Information Privacy

4.5.1. Confidential

The following information is classified as confidential and is not available for inspection by or disclosure to the public. ~~Disclosure will only occur where required under the Information Act.~~ Disclosure will only occur where required by law, including the *Information Act 2023 (NT)*, the *Local Government Act 2019 (NT)*, audit requirements, or Australian Accounting Standards.

- Information (including personal information) provided by a KMP in a related party disclosure; and
- Personal information contained in a register of related party transactions.

4.5.2. When Consent is Required

Except as specified in this Policy, Council and other permitted recipients will not use or disclose personal information provided in a related party disclosure by a KMP or contained in a register of related party transactions for any other purpose or to any other person except with the prior written consent of the subject KMP.

4.5.3. Permitted Recipients

The following persons are permitted to access, use and disclose the information (including personal information) provided in a related party disclosure or contained in a register or related party transactions for the purpose specified in Section 4.5.4:

- the Chief Executive Officer;
- the ~~General Manager Business Excellence~~Director Governance and Community;
- the ~~Manager~~ Director Corporate Services;
- an Auditor of Council; and/or
- other officers as delegated by the Chief Executive Officer.

4.5.4. Permitted Purposes

A person specified in Section 4.5.3 may access, use and disclose information (including personal information) in a related party disclosure or contained in a register of related party transactions for the following purposes:

- to assess and verify a notified related party transaction;
- to reconcile identified related party transactions against those notified in a related party disclosure or contained in a register or related party transactions;
- to comply with the disclosure requirements of AASB 124;
- to verify compliance with the disclosure requirements of AASB 124.

RELATED PARTY DISCLOSURES BY KEY MANAGEMENT PERSONNEL

THIS DOCUMENT IS CONFIDENTIAL

See Council's Related Party Disclosure Policy FIN11

Name of Key Management Personnel:	
Position of Key Management Personnel:	

Please read the Privacy Collection Notice provided with this notification, which explains what a related party transaction is and the purposes for which Council is collecting and will disclose, the related party information provided by you in this notification.

Please complete the table below for each related party transaction with Council that you, or a close member of your family, or an entity related to you or close member of your family:

a) Has previously entered into and which will continue in the [Insert relevant financial year] financial year; or
b) Has entered into, or is reasonable likely to enter into, in the [Insert relevant financial year] financial year.

Description of Related Party Transaction	**Is Transaction Existing/Potential?**	**Related Party's Name (Individual's or Entity's Name)**	**Related Party's Relationship/Reasons why Related**	Details of Supporting Documents and Any Changes to the Related Party Relationship ~~Description of Transaction Documents of Changes to the Related Party Relationship~~

Notification

I, _____(name)_____, _____(position)_____.

Notify that, to the best of my knowledge, information and belief as at the date of this notification, the above list includes all existing and potential related party transactions with Council involving myself, close members of my family, or entities controlled or jointly controlled by me or close members of my family, relevant to the [Insert relevant financial year] financial year.

I make this notification after reading the Privacy Collection Notice provided by Litchfield Council, which details the meaning of the words "related party", "related party transaction", "close members of the family of a person" and in relation to any entity "control" or "joint control", and the purposes for which this information will be used and disclosed.

I permit the ~~Manager~~ Director Corporate Services and other permitted recipients specified in Council's Related Party Disclosure Policy to access the register of interest of me and persons related to me and to use the information for the purposes specified in policy FIN11.

Signature of named Key Management Personnel: _____.

Dated: _____.

Related Party Disclosure **POLICY** FIN11

Privacy Collection Notice – Attachment B

Related Party Disclosures by Key Management Personnel

1. Purpose of collection, use and disclosure

Effective for annual periods beginning on or after 1 July 2016, Council must disclose certain related party relationships and related party transactions together with information associated with those transactions in its general-purpose financial statements, in order to comply with Australian Accounting Standard AASB 124 Related Party Disclosures July 2015 (AASB 124).

Related parties include Council's Key Management Personnel (KMP), their close family members, and any entities that they or any of their close family members control or jointly control.

A related party transaction is any transaction (whether a transfer of resources, services or obligations) between the reporting local government and any of the related parties, whether monetary or not.

If there is a related party transaction with Council applicable to a reporting financial year, AASB 124 requires Council to disclose in the financial statements the nature of the related party relationship and information about the transaction, including outstanding balances and commitments associated with the transaction. Disclosure in the financial statements may be in the aggregate and/or made separately, depending on the materiality of the transaction.

For more information about Council's disclosure requirements under AASB 124, please refer to Council's Related Party Disclosure Policy.

2. Notifications by key management personnel

In order to comply with AASB 124, Council has adopted a policy that requires all members of its KMP to periodically provide notifications to the ~~Finance Manager~~ Director Corporate Services or Chief Executive Officer of any existing or potential party transaction between Council and any of their related parties during a financial year, and any changes to previously notified related party relationships and transactions relevant to the subject financial year.

To this end, each KMP must provide a Related Party Disclosure, in the approved form, notifying any existing or potential related party transactions between Council and any related parties of the KMP, to the ~~Finance Manager~~Director of Corporate Services by no later than the following periods during a financial year:

- 30 days after a KMP commences their term or employment with Council; and
- KMP must provide an updated disclosure within 30 days of becoming aware of a new related party relationship or transaction.
- ~~30 June (each year).~~

Note: These related party disclosure requirements are in addition to the notifications KMP's are required to make to comply with other Council policies.

This includes disclosures relating to Conflicts of Interest and Gifts and Benefits. Council's auditors may audit related party information as part of the annual external audit.

For privacy and right to information status of this information, please refer to Council's Related Party Disclosure Policy.

3. Who are KMPS?

KMPs are persons having authority and responsibility for planning, directing and controlling the activities of Council, directly and indirectly.

For Council, KMPs include:

- Mayor;
- Elected Members;
- Chief Executive Officer;
- Directors; and
- Other Officers with delegations under the ~~Section 103~~ *Local Government Act 2019 NT Section 103*.

Close family members, or close members of the family of a KMP are family members who may be expected to influence, or be influenced by, that person in their dealings with Council and include:

(a) That person's children and spouse or domestic partner;
(b) Children of that person's spouse or domestic partner; and
(c) Dependants of that person or that person's spouse or domestic partner.

Under AASB 124, close family members could include extended members of a family (such as, without limitation, a parent, grandparent, siblings, etc.) if they could be expected to influence, or be influenced by the KMP in their dealings with Council.

The following table may assist with identifying close family members:

Definitely a close family member	***Maybe a close family member***
Your spouse/domestic partner	Your brother and sisters, if they could be expected to influence, or be influenced by you in their dealings with Council
Your children	Your aunts, uncles and cousins, if they could be expected to influence, or be influenced by you in their dealings with Council
Your dependants	Your parents and grandparents, if they could be expected to influence, or be influenced by you in their dealings with Council

Children of your spouse/domestic partner	Your nieces and nephews, if they could be expected to influence, or be influenced by you in their dealings with Council
Dependants of your spouse/domestic partner	Any other member of your family if they could be expected to influence, or be influenced by you in their dealings with Council

4. Control & Entities

Entities include companies, trusts, incorporated and unincorporated associations such as clubs and charities, joint ventures and partnerships.

You control an entity if you have:

- Power over the entity;
- Exposure, or rights to variable returns from your involvement with the entity; and
- The ability to use your power over the entity to affect the amount of your returns.

Example of Control:

May is the Mayor of XY Council and owns 100% of the ordinary share in XY Company Pty Ltd (the Company). The ordinary shares are the only shares in the company that have voting rights. May controls the company because she has the power to affect the company's decisions and the return he will get from the company. May will need to include the company on her Related Party Disclosure Form.

To jointly control an entity, there must be contractually agreed sharing of control of the entity, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

Example of Joint Control:

May is the Mayor of XY Council and owns 50% of the ordinary share in XY Company Pty Ltd (the Company). May's sister, Peta, owns the other 50% of the ordinary shares. May and Peta are the only Directors of the company and have equal voting rights on the board. May and Peta have joint control of the company because any decisions require the unanimous consent of them both. May will need to include the company on her Related Party Disclosure Form and the entity's related party relationship with May and Peta.

In some cases, it will be obvious that you or a family member control or have joint control over an entity. In other cases, it will be less clear.

If you are unsure whether you, or a close family member has control or joint control of an entity then you should contact the Finance Manager for a confidential discussion.

14.2 Governance and Community

14.2.1 Governance and Community Monthly Report - September 2026

AUTHOR: Natasha Clancy, Executive Assistant to Directors

AUTHORISER: Rebecca Taylor, Director Governance & Community

ATTACHMENTS:
1. Governance Monthly Report - September
2. Community Monthly Report - September

EXECUTIVE SUMMARY

This report provides a monthly update on key activities and services across the Governance and Community for September 2026.

RECOMMENDATION

1. That Council receive and note the Governance and Community Monthly Report for September 2026 as at attachment 1 and 2.

BACKGROUND

The attached monthly reports provide an overview of activities across Governance, Media and Communications, Library Services, Regulatory Services and Community Development.

14.2.2 DRAFT Strategic Plan 2026 - 2029

AUTHOR: Natasha Clancy, Executive Assistant to Directors

AUTHORISER: Rebecca Taylor, Director Governance & Community

ATTACHMENTS: 1. Draft Strategic Plan 2026-2029

EXECUTIVE SUMMARY

The purpose of this report is to seek Council's approval to release the draft Strategic Plan 2026–2029 for community consultation.

RECOMMENDATION

THAT Council endorse the Litchfield Council Draft Strategic Plan 2026-2029 as provided in Attachment A for the purpose of public exhibition and consultation for 28 days commencing 21 October 2026 and concluding 17 November 2026.

BACKGROUND

A Strategic Plan is a key document that sets out Council's long-term vision, priorities and objectives for the municipality. It provides a framework for decision-making and helps ensure Council's services, projects and resources are directed towards the outcomes that matter most to the community.

The draft Strategic Plan 2026–2029, as attachment 1, has been developed following strategic planning workshops with Elected Members and Executives, and reflects the priorities and key themes identified through this process.

The draft Plan is structured around five priorities:

- People – Our Community and Lifestyle
- Progress – Our Service Delivery
- Prosperity – Our Economy and Growth
- Places – Our Environment, Lifestyle and Connectivity
- Performance – Our Leadership and Delivery

Each priority includes a goal, strategic actions and ways the community can contribute.

The draft Strategic Plan is now presented to Council for endorsement to proceed to community consultation. Feedback received during the consultation period will be considered and reported back to Council prior to final adoption.

LINKS WITH STRATEGIC PLAN

Performance - An Effective and Efficient Organisation

COMMUNITY ENGAGEMENT

Subject to Council approval, the draft Strategic Plan 2026–2029 will be released for community consultation to provide residents and stakeholders with an opportunity to review the Plan and provide feedback. Consultation will include advertisement on the website, across social media platforms and community notice boards.

Strategic Plan 2026–2029

LITCHFIELD COUNCIL

Acknowledgement

We, the Litchfield Council, acknowledge the traditional custodians of this land. We pay our respects to their Elders, past, present and future.

Artwork Representation

The artwork used in this document has been created by Deanne Kenyon of Qalmolmi Arts. It represents the unique landscapes, waterways and natural environment of the Litchfield region. Through colour, pattern and design, the artwork captures the character and identity of the area, creating a distinctive visual representation of the region and its community.

2

Message from the Mayor and CEO

We are proud to introduce Litchfield Council's Strategic Plan 2026–2029, setting a clear and purposeful direction for our growing municipality.

Litchfield is entering an exciting new chapter, as we embrace growth, strengthen our identity and plan for a vibrant and sustainable future.

As one of the fastest growing municipalities in the Northern Territory, our community continues to evolve. Growth in population, development and infrastructure brings opportunities, challenges and responsibilities. We are committed to ensuring this growth is well planned, sustainable and reflective of what our community values most.

This Strategic Plan reflects strong input from our Elected Members and outlines how we will deliver meaningful outcomes through a clear and focused approach.

At the heart of this plan is our community. We are committed to strengthening connection, belonging and pride across Litchfield, while maintaining the unique rural lifestyle, natural environment and strong sense of identity that defines our region.

The plan is guided by five strategic pillars - **People, Progress, Prosperity, Places and Performance** - that set out how we will:

- Support a connected and active community
- Deliver smarter, customer-focused services
- Grow local economic opportunities
- Create accessible and valued places
- Provide trusted leadership and accountable delivery.

Together, these priorities reflect our focus on balancing growth with lifestyle, improving service delivery, strengthening local identity and planning for a sustainable future.

We look forward to continuing to work alongside our community to shape Litchfield as a place where people choose to live, work and visit.

Our Vision for Litchfield

Where people belong, communities thrive, and future generations flourish

Our Mission

To build trust through action, strengthen our communities, and create a resilient Litchfield where everyone can thrive

Our Priorities

People

Progress

Prosperity

Places

Performance

People

Our Community and Lifestyle

Goal

To strengthen connection, belonging and pride across Litchfield by building a region where people choose to live, work and visit.

Strategic Actions

- Strengthen and promote a strong and clear '**Litchfield identity**' reflecting its rural character, environment and community values
- Increase Council's visibility through **proactive engagement**, communication and participation in community events and local groups
- Deliver **community events** and programs that encourage participation and connection
- Provide accessible community **information** through a centralised hub (e.g. Council website) including events, activities and local group directories
- Maintain and enhance parks, reserves and recreation facilities to support healthy, active lifestyles
- Build and support strong partnerships with community groups, reserve committees, sporting clubs and **volunteers**
- Support not-for-profit organisations and young people through the **Community Grants Scheme**.
- Deliver an accessible, family-friendly **library** service, expanding programs, digital resources and initiatives to meet diverse community needs, support lifelong learning and strengthen social connection
- Deliver animal management services that support responsible **pet ownership** and community safety
- Deliver effective waste and recycling services while promoting **sustainability** community education

How our community can help

- Help shape services and priorities by sharing ideas, feedback and experiences through consultation, engagement and everyday interactions
- Participate in community events, programs and initiatives that build connection, inclusion and wellbeing
- Work with Council to promote respect, understanding and a sense of belonging for all community members
- Be responsible pet owners by caring for animals, following relevant requirements and helping create safe, respectful shared spaces for everyone
- Reduce waste by reusing, recycling and repurposing where possible, and disposing of waste responsibly to protect our environment and community health

7

Goal

Deliver customer-focused council services, systems and approaches that are efficient, effective and provide improved community outcomes.

Strategic Actions

- Apply research, data and community insights to improve **service delivery**, ensuring value for money and alignment with community expectations
- Ensure Council services and facilities are delivered at best value, balancing **cost efficiency** with quality outcomes for residents
- Focus on **innovation and growth** when reviewing service levels, ensuring Council adapts to changing community needs and expectations
- Build strong stakeholder relationships to identify opportunities for collaboration, shared solutions and **increase advocacy**
- **Plan and deliver** Council projects and provide feedback on development and municipal growth areas
- Identify and implement innovative approaches to infrastructure delivery, waste management and sustainability initiatives to support long-term resilience

How our community can help

- Contribute ideas and local knowledge to help guide growth, planning and development
- Embrace innovation, change and new ways of working that support a sustainable future
- Engage in planning processes and provide feedback on infrastructure, projects and services
- Support initiatives that balance growth with environmental, social and cultural considerations
- Work alongside Council to prepare for future challenges and opportunities.

8

Goal

Showcase our unique rural character, suburban areas and tourist attractions to support vibrant communities, local business growth, visitation and encourage investment.

Strategic Actions

- Increase support for **local businesses** through procurement practices and local supplier opportunities
- Support **workforce development** through internships, traineeships, work experience and staff development opportunities
- Advocate for infrastructure and services that support **economic growth**
- Support appropriate residential, industrial and **commercial growth** while maintaining Litchfield's rural lifestyle values
- Investigate opportunities for a signature Litchfield event that strengthens identity and economic activity
- Expand local **lifestyle and amenity** offerings to support a growing population
- Build advocacy **partnerships** to attract external funding and investment opportunities

How our community can help

- Support local businesses by shopping locally and using local services
- Promote the region by welcoming visitors and sharing positive experiences
- Participate in local events, festivals and activities that strengthen the local economy
- Collaborate with Council, business and community groups to encourage investment and innovation
- Share ideas and opportunities that enhance liveability and economic growth across the region

9

Goal

To deliver connected, accessible and sustainable places that support growth, community connection and Litchfield's rural identity.

Strategic Actions

- Deliver and maintain essential infrastructure including **roads, drainage, shared paths** and community facilities
- Improve transport **connectivity** and advocate for better public transport options, particularly for older residents, across the municipality
- Redefine the Litchfield 'brand' to include how a sense of place is represented across the municipality
- Strengthen the identity of Litchfield as a place to live, work and visit through improved promotion, branding and community storytelling
- Improve usability and activation of existing **community assets** and underutilised spaces
- Improve **accessibility and inclusion** considerations across Council facilities, public spaces and community places
- Develop and promote a 'Living in Litchfield' resource to support existing and future residents
- Balance **future growth** with protection of Litchfield's rural character, natural environment and community lifestyle

How our community can help

- Report issues and provide feedback on recreation reserves, roads, facilities and open spaces to help inform improvements
- Advocate for better transport by sharing needs and supporting initiatives, especially for older residents
- Contribute to Litchfield's identity by sharing stories and having a sense of local pride
- Assist in the activation of local spaces with events, activities and community use
- Support sustainable growth by welcoming new residents and protecting the local lifestyle

Performance

Our Leadership and Delivery

Goal

To build community trust through transparent leadership, strong governance, effective communication and sustainable service delivery.

Strategic Actions

- Increase **communication** and engagement with the community
- Improve **consultation** approaches to achieve broader reach and more meaningful participation
- Improve how Council communicates financial performance and decision-making to increase **transparency** and community understanding
- Implement an improved Customer Request Management (CRM) approach and process to strengthen responsiveness and **accountability**
- Continue **advocating** for grants and external funding to deliver community priorities and infrastructure
- Continue to **invest** in staff development, leadership and workforce capability

How our community can help

- Provide constructive feedback to help improve services and customer experience
- Work with Council to resolve issues by reporting concerns and sharing information
- Engage with Council initiatives and processes aimed at improving service delivery
- Partner with Council and other levels of government to advocate for positive outcomes
- Support continuous improvement by participating in reviews, surveys and engagement opportunities

14.2.3 Recreation Reserve Management Committee Minutes

AUTHOR: Jill Enriquez, Community Participation Officer

AUTHORISER: Rebecca Taylor, Director Governance & Community

ATTACHMENTS:
1. Knuckey Lagoon Recreation Reserve Management Committee Meeting Minutes.pdf
2. Howard Park Recreation Reserve Management Committee Minutes

EXECUTIVE SUMMARY

This report presents the minutes from recent meetings of the Knuckey Lagoon Recreation Reserve Management Committee and Howard Park Recreation Reserve Management Committee for Council to receive and note.

RECOMMENDATION

That Council receive and note:

1. the Knuckey Lagoon Recreation Reserve Management Committee meeting minutes 13 August, as attachment 1.
2. the Howard Park Recreation Reserve Management Committee meeting minutes 09 September 2026 as attachment 2.

BACKGROUND

The Knuckey Lagoon Recreation Reserve Management Committee and Howard Park Recreation Reserve Management Committee are Council committees established under the *Local Government Act 2019*.

The minutes from the above Committee meetings are provided at Attachments 1 and 2 for Council to receive and note.

14.2.4 Sponsorship Request: 2026 Rural Carols by Candlelight Event

AUTHOR: Jill Enriquez, Community Participation Officer

AUTHORISER: Rebecca Taylor, Director Governance & Community

ATTACHMENTS: 1. Sponsorship Request - 2026 Carols by Candlelight.pdf

EXECUTIVE SUMMARY

The purpose of this report is to seek Council's consideration of a $4,657.00 sponsorship request from the Darwin Rural Community Carols by Candlelight Committee in support of their Rural Carols by Candlelight Event October 2026.

RECOMMENDATION

1. That Council approves a one-off sponsorship of $4,657.00 to the Darwin Rural Community Carols by Candlelight Committee towards the delivery of the 2026 Rural Carols by Candlelight event.
2. That Council approves the allocation of $4,657.00 from the 2026/27 Sponsorship budget and authorises the Chief Executive Officer to enter into a sponsorship agreement with the Committee.

BACKGROUND

Council's sponsorship program provides financial support to initiatives that align with Council's strategic priorities and provide identifiable community benefits. Unlike the Annual Grants program, sponsorships may be considered throughout the year, allowing Council to respond to time-sensitive opportunities that support the community.

The Committee has requested financial sponsorship for the Rural Carols by Candlelight event at Bees Creek Primary School. Established in 1979, the volunteer-run event has become a longstanding part of the rural Christmas calendar and attracts approximately 900 to 1,000 attendees, primarily from Litchfield, with families also attending from Darwin and Palmerston.

Council provided $4,000 in sponsorship funding towards the 2025 Rural Carols by Candlelight event.

The event brings residents together for an accessible evening of music and community singing. Its band, choir and performers are drawn from the local community, with rural schools, churches and individual residents contributing musical items. Local community groups can also raise funds by operating food and drink stalls or providing services at the event.

The requested sponsorship would contribute to sound and production costs, electronic candles and glowsticks, St John Ambulance attendance and an event banner. The committee has also applied for a $4,000 Community Benefit Fund grant. Donations, sponsorship and volunteer contributions have historically helped the committee keep the event affordable, although it reports that recruiting volunteers has become more difficult.

Rural Carols provides a local opportunity for young people and community performers to share their talents, while supporting connections between residents and fundraising opportunities for schools and not-for-profit groups. The committee advises that it seeks to make the event inclusive of people from all cultures and, where possible, purchases event hire and services within the Northern Territory.

The proposed sponsorship aligns with the Strategic Plan's priorities relating to arts and culture, youth development and community prosperity. It would support a well-attended event delivered within the municipality, encourage participation in local music and volunteering, and provide practical fundraising opportunities for community organisations.

In recognition of its contribution, Council would be acknowledged on Facebook, promotional banners, flyers, the event program and an overhead screen, as well as through announcements by the MCs. The committee has invited the Mayor to officially open the event and offered reserved seating for Council representatives. It has also advised that it would provide an outcome report, income and expenditure statement, and copies of invoices to acquit the sponsorship.

LINKS WITH STRATEGIC PLAN

People - Our Community is at the Heart of All We Do

LEGISLATIVE AND POLICY IMPLICATIONS

FIN07 Community Grants, Donations and Sponsorship

FINANCIAL IMPLICATIONS

The proposed investment of $4,657.00 does not present a significant financial risk. The annual Sponsorship budget totals $27,000, and there is currently $10,367.60 left for this financial year.

Adversely, if the initiative doesn't take place or falls short of the anticipated success, the allocated funding may not be utilised as originally specified. To safeguard the Council's financial reputation and ensure the return of funds, Council staff must establish a legally binding financial agreement.

RISKS

Nil

COMMUNITY ENGAGEMENT

The proposed sponsorship would support a community-led event that encourages participation and strengthens connections within the rural community.

Darwin Rural Community Carols by Candlelight Committee

ABN 29 905 153 366

Sponsorship Proposal
Rural Carols by Candlelight Event 2026

Who we are:
Darwin Rural Carols by Candlelight Committee is a non profit Volunteer hard-working committee that stages the Carols by Candlelight in the Litchfield area. The event has been running for 47 years, brings the community together and attracts 900-1000 people. Attended mainly by Litchfield residents, we know that families also attend from Darwin and Palmerston.

The Event:
Rural Carols by Candlelight, is held at the Bees Creek Primary School Basketball Court (open air). The Rural Carols Committee consists of members from the rural churches and supported by many community members. The Band, Choir and Singers area, all drawn from the local community. Rural schools, churches an individual community members provide singing and musical items. Community groups benefit from food and drink stall fundraising.

Benefits:
The event brings benefit to the Litchfield municipality in several ways:

(a) A healthy community needs opportunity to connect in a meaningful way. This event draws together the rural community to gather for an evening of low cost entertainment, and the pleasure of being involved in the singing.
(b) For local schools, churches, musicians, singers to showcase in their talents
(c) Opportunity for local non profit groups to raise much-needed funds (ie Scouts, Girl Guides, Rotary, Lions, Schools) by providing food or drink stall or services.
(d) Inclusive of all cultures, and constantly finding ways to enhance this.
(e) It is a popular event in the Christmas season for our community, with enthusiastic support.
(f) The funds spent on hire, services etc are kept within the NT, apart from the electronic candles that are sourced south because there is no supplier here.

Statistics -Growth of the Event:
The first Rural Carols by Candlelight was organised by the rural churches in 1979, and held at Freds Pass Reserve. The event moved to the Humpty Doo Village Green Reserve where it was held for many years, totally run by donations and in kind support. The event moved to Bees Creek School. It was also staged one year at the then new Coolalinga Central when funding was not available. The event has always been well-attended in the recent years has with 900 – 1000 in attendance.

Supporters:
Donations and sponsorship support have kept the cost of the event down.
Volunteers have also been a wonderful and necessary support, eager to share their gifts and skills within our community. However, Volunteers now harder to recruit. The pool of Volunteers has declined by the necessity for both parents having to work, traditional and cultural volunteering and natural attrition.
Sponsorship support has been provided by local MLAs, Coles, Woolworths, Bees Creek Primary School and in 2024 sponsorship from Litchfield Council.

Success of event:
The event has been successful due to the Volunteer committee's consultation with the community, communication with all stakeholders, publicity of event, and inclusion of all that show an interest in being involved. Music is provided by Volunteer musicians which add atmosphere to the event. Our three local politicians have provided lucky door prizes which have been greatly appreciated by the recipients.
Woolworths and Coles provide a donation of goods towards the tea and coffee provided, also the lollies that Santa distributes to the children.
The Rural Carols by Candlelight provides a wonderful lead up to the Christmas season and is a popular event on the rural calendar.

Relevance to the themes of Litchfield Council Strategic Plan:

a. *Art and Culture:* supports the Culture as well as the Arts
b. *Youth Development:* heavily supports Youth development.
c. *Community Prosperity:* supports Community Prosperity by providing support and avenues to fundraise.

Sponsorship requested:
The amount requested is $4,657.00
This amount covers the sound and production costs, candles and glowsticks, St John Ambulance attendance and a Banner.
We have also sought Community Benefit Fund grant for $4000.00

If our proposal is successful, Council would be acknowledged in the following ways:

(a) Facebook
(b) Signage banners on Stuart Highway, Sattler airstrip (inbound and outbound) and the Palmerston bypass signage banner at 11 Mile.
(c) Flyers
(d) Program
(e) Overhead Screen during the evening
(f) MC's during the evening
(g) Council Mayor to officially open the event on the night, with reserved seating for Council.

Sponsorship would be fully acquitted with outcome report, income and expenditure and copy of invoices.

We thank the Litchfield Council for their generous sponsorship in 2025.
We again approach Council for sponsorship this year and trust that Council can see the benefits for them as they serve our vibrant community.
If this Sponsorship proposal is not successful, our Committee will apply for the Council annual grant, which is now closing at the end of the month.
We trust that Council can see the benefits in our proposal, and look forward to the outcome of this request.

Yours sincerely
Darwin Rural Carols by Candlelight Committee

14.2.5 Sponsorship Request: 2026 Mango Festival Event

AUTHOR: Jill Enriquez, Community Participation Officer

AUTHORISER: Rebecca Taylor, Director Governance & Community

ATTACHMENTS: 1. Sponsorship Request 2026 Mango Festival.pdf

EXECUTIVE SUMMARY

The purpose of this report is to seek Council's consideration of a $5,000 sponsorship request from the Berry Springs Community Market NT in support of their Mango Festival Event on the 25th of October 2026.

RECOMMENDATION

1. That Council approves a one-off sponsorship of up to $5,000 to Berry Springs Community Market NT towards the delivery of the 2026 Mango Festival.
2. That Council approves the allocation of up to $5,000 from the 2026/27 Sponsorship budget and authorises the Chief Executive Officer to enter into a sponsorship agreement with Berry Springs Community Market NT.

BACKGROUND

Council's sponsorship program provides financial support to initiatives that align with Council's strategic priorities and provide identifiable community benefits. Unlike the Annual Grants program, sponsorships may be considered throughout the year, allowing Council to respond to time-sensitive opportunities that support the community.

Berry Springs Community Market NT has requested $5,000 to deliver the 2026 Mango Festival at Berry Springs Reserve. Council provided $5,000 in sponsorship funding towards the 2025 event, which attracted an estimated 2,000 to 2,500 people and featured more than 50 stalls. This year's festival will again offer a family day out with market stalls, mango-themed activities and children's entertainment. More than 50 stall bookings have already been received, indicating strong interest from vendors.

The festival celebrates mango growing as an important Litchfield industry and encourages visitors from across the Darwin region to explore Berry Springs and nearby attractions. It gives local makers, food vendors and tourism operators an opportunity to promote their businesses, while offering residents a place to gather. The association's regular markets also support community fundraising through their Community Kitchen, and the festival provides another opportunity for local groups to participate.

The association has experience running the Berry Springs Community Market and expects support from mango growers, reserve representatives and other volunteers. Its application describes strong community interest in the festival and an expectation that the event will continue.

The proposed sponsorship aligns with Council's strategic priorities for community participation, local enterprise and recreation. It would help deliver activities for families while promoting a significant local industry. The requested $5,000 forms part of an $11,000 event budget, alongside the association's own funds, other sponsorship and in-kind donations, further breakdown is outlined in the attachment. Major proposed costs include children's amusements, traffic control, signage and competition prizes. The association's markets and the festival provide trading opportunities for vendors and generate income for the association. Council may consider a sponsorship amount of up to $5,000 in light of the event's community benefits and funding arrangements.

Council would be acknowledged through social media, signage and announcements at the event. The association has also offered Council a free site for a public information booth.

Wednesday 23rd September 2026

SPONSORSHIP – MANGO FESTIVAL – SUNDAY 25TH OCTOBER 2026.

Dear M/S Jill Enriquez - Community Participation Officer.

The Berry Springs Community Market NT Inc has again been tasked with the running of the "2026 Mango Festival."

The Litchfield Council was kind enough to provide sponsorship for this event in 2025 and we where able to run a very well supported event with over 50 stalls selling crafts, clothing, preserves and food stuffs. In addition we were able to run "Mango" themed activities cooking, eating, and carrying which gave visitors a lot of entertainment.

The Councils sponsorship was very much appreciated and gave many of the younger people in attendance the opportunity to play and use play equipment in the form of "Jumping Castle" an other activies.

We believe that attendance was in the range of 2000 to 2500 people attending.

Our association facilitates the Berry Springs Community Market which gives local artisans and makers a venue to market their goods and services to our local community and tourists using local area facilities. We are an attraction in our own right for visitors from the greater Darwin area to Berry Springs. The Market also provides a meeting place for many in the local community for social interaction and companionship especially among the aged. Markets during 2026 have been well attended by our local community but Stall numbers have been down on last year.

The "Community Kitchen" has operated at each market this year and allowed many "not for profit" organisations to raise money for their projects.

Bookings for this years "Mango Festival" stalls are very well advanced, and we are hopeful that we will better last year's participation.

Berry Springs Community Market NT Inc
E: admin@berryspringsmarket.com.au
M: 0447 662 048

ABN 29 365 292 832

The Mango Festival will be held at the Berry Springs Reserve and our aim is to provide a family friendly event for our Litchfield community and encourage visitors to the Berry Springs area which is the gateway to many of the prime tourist spots of the Top End.

The Northern Territory produces approximately 50 percent of Australia's Mango crop and Litchfield Council area is the biggest producer within the Territory, we need to let people know of our importance.

Our committee is made up of experienced people with the knowledge to run a successful event of this type. We have been able to call on the experience of others who have been involved in the running of this event in the past. These include the current President of the Berry Springs Reserve Committee. Additional help will be available from Mango growers and other volunteers.

Benefits of running this event will accrue to the Berry Springs Community generally but also to the Berry Springs Community Market NT Inc, The Reserve Committee members and vendors.

The Mango Industry in the NT will receive good publicity and community engagement within the festival activities.

Tourism in the Top End will be promoted by the event and we are hoping individual operators will use the festival to promote their own business's.

It is clear there is a community expectation that this event be run, we have already had over 50 bookings for stalls in the market and keen interest from community groups to take part, social media traffic is high.

We believe that this request fits with the Council's strategic plan in that it provides community education on one of our most important industries, supports many of our community groups financially, and generally provides a recreational event for the community.

It is our intention to acknowledge the sponsorship of the Council through social media, signage and in publicly at the event. We will provide a site free of charge for the Council to operate a public information booth from should this be your wish.

Berry Springs Community Market NT Inc
E: admin@berryspringsmarket.com.au
M: 0447 662 048

ABN 29 365 292 832

Set out below is our budget for the event with a sponsorship request from Councill of $5000.00.

BUDGET – MANGO FESTIVAL – 2026.

Clearances for Development Permit Conditions	4
Sale, Lease, or Occupation of Crown Land Applications	0
Development Permits Issued	4
Liquor Licence Applications	2
Water Licence Applications	0
Mining Applications	0
Stormwater (Building Certification)/ Driveway Plan Reviews	28
Works Permits	41

Letters of comment for the noted development applications are provided for information in the attachments to this report.

RECOMMENDATION

THAT Council:

1. Receive the Summary Planning and Development Report for 1-30 September 2026.
2. Note for information the responses provided to relevant agencies within Attachments A to F of this report.

BACKGROUND

DEVELOPMENT APPLICATIONS

The *Planning Act 1999* requires that the local government be notified of all Development Applications within Council's municipality. Council assesses whether the application meets Council's requirements for roads, drainage, and waste collection and comments on the expected impact of the proposal on the amenity of Council's residents.

The following is a summary of all Planning Applications received, and comments provided during the noted period.

Council Outcome on Development Applications	**No. Applications**
Planning applications supported, subject to normal Council conditions	4
Planning applications supported, subject to specific issues being adequately addressed	0
Planning applications not supported/objected to for reasons related to Council issues	2
Planning applications objected to for reasons not directly related to Council issues	0
Note: Additional detail is provided below on all development applications.	

For all development applications, should the applications be approved by the consent authority, the applications may be subject to Council's normal Development Permit conditions regarding areas of Council authority, including, but not necessarily limited to, access and stormwater drainage.

To find out more about upcoming planning applications, meetings of the development consent authority (DCA) and previous determinations on applications at a meeting visit:

Current Planning Notices: https://www.ntlis.nt.gov.au/planning-notices-online/notices#/index

DCA meeting agendas: https://dipl.nt.gov.au/committees/dca/meetings-and-agendas

DCA meeting minutes: https://dipl.nt.gov.au/committees/dca/minutes

Development Applications supported, subject to normal Council Conditions

The table below describes the Planning Applications that are supported by Council.

Application Number, Address, and Attachment Reference	Purpose and Summary
PA2026/0315 **Hun: 695 P: 06250 1320 Redcliffe Road HUGHES, Hundred of Strangways** **Attachment A**	**Subdivision to create 2 lots** Council does not object to the granting of a Development Permit as the application for subdivision to create two lots complies with the necessary requirements of the NT Planning Scheme in relation to Land Suitability and Preliminary Stormwater assessment.
PA2026/0311 **Hun: 325 P: 01529 110 Anzac Parade MIDDLE POINT, Hundred of Guy** **Attachment B**	**Subdivision and consolidation to create 1 lot** Council does not object to granting of a Development Permit as the proposed development has little to no impact on Council roads or services.
PA2026/0320 **Hun: 055 P: 00020 395 Whitewood Road HOWARD SPRINGS, Hundred of Bagot** **Attachment C**	**Dwelling-independent with a floor area in excess of 100m2** Council does not object the granting of a Development Permit the proposal generally aligns with the surrounding land use in the area and provides housing diversity which is necessary given the current economic challenges.
PA2026/0326 **Hun: 6243 P: 999 413 Arnhem Highway HUMPTY DOO, Hundred of Strangways** **Attachment D**	**Subdivision and consolidation to create two lots** Council does not object to the granting of a Development Permit as the proposed consolidation and subdivision would not result in any additional lots and would have no real impact to Council infrastructure or servicing requirements.

Development Applications supported, subject to specific issues being adequately addressed

The table below describes the Development Applications that are supported by Council only if the specific issues outlined are adequately addressed.

Application Number, Address, and Attachment Reference	Purpose and Summary	Specific Issues to be Addressed
NIL		

Development Applications not supported/objected to for reasons related to Council issues

The table below describes the Development Applications that are not supported or objected to by Council for reasons related to areas of Council authority.

Application Number, Address, and Attachment Reference	Purpose and Summary	Reasons for Non-Support/ Objection
PA2026/0274 **Hun: 055 P: 07905 40 Smyth Road HOWARD SPRINGS, Hundred of Bagot** **Attachment E**	**Dwelling-independent with a reduced setback to the side boundary**	a) Council does not support granting a Development Permit as the layout within the property allows for the proposed dwelling to be constructed in a location that does not require the reduction of the setback. b) The proposed dwelling-independent may invertedly direct stormwater flows from the roof to the neighbouring property as a concentrated flow due to the lack of space available for stormwater runoff from the roof to allow for sheet flow. c) The applicant provided supporting aspect in the statement of effect addressing clause 5.4.3 is to avoid no site overhand of the dwelling-single and dwelling-independent. Council appreciates that this may feel optimal for the aesthetics of the property but does not support this as a reason to support the proposed reduction of the setback.
PA2026/0327 **Hun: 695 P: 02920 247 Virginia Road VIRGINIA, Hundred of Strangways** **Attachment F**	**Outbuilding (verandah and carport) addition to an existing dwelling-single with a reduced building setback to the side boundary**	a) Council does not support the granting of a Development Permit as the size of the property allows for the proposed freestanding carport and verandah to be constructed on the opposite side of the related building which would then not require a significant reduction to the setback. b) The design of the freestanding carpet and verandah may invertedly direct stormwater flows from the roof to the neighbouring property

Application Number, Address, and Attachment Reference	Purpose and Summary	Reasons for Non-Support/ Objection
		as a concentrated flow due to the lack of space available for stormwater runoff from the roof to allow for sheet flow. c) Through the information provided by the applicants' design drawings, Council can see that works have commenced prior to gaining an approval. Council would not support this as a reason for any approvals as it is the property owners responsibility to ensure the proposal meets the NT Planning Scheme prior to commencing.

Development Applications objected to for reasons not directly related to Council issues

The table below describes the Development Applications that are objected to by Council for reasons not directly related to areas of Council authority. Typically, these are reasons related to preservation of amenity of the surrounding neighbourhood and compliance with the NT Planning Scheme.

Application Number, Address, and Attachment Reference	Purpose and Summary	Reasons for Objection
NIL		

SALE, LEASE, AND OCCUPATION OF CROWN LAND APPLICATIONS

The table below describes the new applications for Sale of Crown Land to which Council has responded during the noted period.

Address and Attachment Reference	Purpose and Summary	Comments Provided
NIL		

DEVELOPMENT PERMITS ISSUED

Application Number and Address	Permit Number, Purpose and Summary	Comments Provided
PA2026/0049 **Section 05544** **Hundred of Strangways** **2658 STUART HWY, LIVINGSTONE**	**DP2026/0049** To use and develop the land for the purpose of a subdivision to create 105 lots, in accordance with the attached schedule of conditions and the endorsed plans.	
PA2026/0211 **Section 05857** **Section 06766** **Section 08834** **Hundred of Bagot** **9 KUNDOOK PL, HOWARD SPRINGS** **WHITEWOOD RD, HOWARD SPRINGS** **11 KUNDOOK PL, HOWARD SPRINGS**	**DP2026/0211** To use and develop the land for the purpose of a consolidation, to create one lot, in accordance with the attached schedule of conditions and the endorsed plans.	
PA2026/0266 **Section 01957** **Hundred of Strangways** **5 BENHAM CT, HUMPTY DOO**	**DP2026/0266** To use and develop the land for the purpose of addition of outbuilding (Carport, Shed) with a reduced side setback to a single dwelling, in accordance with the attached schedule of conditions and the endorsed plans.	
PA2026/0134 **Section 02718** **Hundred of Strangways** **265 ANGLESEY RD, GIRRAWEEN**	**DP2026/0134** To use and develop the land for the purpose of dwelling-independent with a floor area of 110sqm, in accordance with the attached schedule of conditions and the endorsed plans.	

LIQUOR LICENCE APPLICATIONS

The table below describes the new applications for amendments to existing liquor licences or new applications for special event liquor licences to which Council has responded during the noted period. Note, SPLL refers to a Special Event Liquor Licence.

Application Number	Purpose and Summary	Comments Provided
PQ2026/9025	**AFL Grand Final – Southern Districts Football Club**	Council support the granting of this special event liquor license
PQ2026/9026	**Annual T20 cricket match for 1 CER, Os and SNCO Vs JNCO (Defence)**	Council support the granting of this special event liquor license

ASSESSMENT OF PLANS/REPORTS/DRAWINGS FOR CLEARANCE OF DEVELOPMENT PERMIT CONDITIONS

Council reviews plans, reports, and drawings as part of the process to clear conditions on Development Permits to ensure that the proposals meet Council requirements and will not have adverse effects upon neighbouring properties or Council assets. Examples of include driveway crossover plans, stormwater drainage plans, environmental management reports, traffic impact assessments, and infrastructure designs. The following table notes the number of requests for assessment received by Council for clearance of conditions for plans/ reports/drawings during the noted period.

No. Requests for Assessment of Plans/Reports/Drawings for Clearance of Development Permit Conditions
4

STORMWATER DRAINAGE AND/OR DRIVEWAY CROSSOVER APPLICATIONS FOR BUILDING CERTIFICATION

Council reviews stormwater drainage plans and driveway crossovers for structures requiring building certification to ensure that the proposals meet Council requirements and will not have adverse effects upon neighbouring properties or Council assets. The following table notes the number requests for assessment for building certification that Council received during the noted period.

No. Building Certification Applications
28

WORKS PERMIT APPLICATIONS

Council reviews Works Permit applications for all works undertaken by external parties within Council's road reserve to ensure the works meet Council requirements and will not have adverse effects upon the public using the road reserve or Council assets. The following table notes the number of Works Permit applications received by Council during the noted period.

No. Works Permit Applications

RE: Letter of Comment Development Application

PA2026/0315
Hun: 695 P: 06250 1320 Redcliffe Road HUGHES, Hundred of Strangways
Subdivision to create 2 lots

Thank you for the Development Application referred to this office on 11 September 2026, concerning the above. This letter may be tabled at Litchfield Council's next Council Meeting. Should this letter be varied or not endorsed by Council, you will be advised accordingly.

The following issues are raised for consideration by the Authority:

Council <u>does not object</u> the granting of a Development Permit for the following reasons:

a) The application for a subdivision to create two (2) lots complies with the necessary requirements of the NT Planning Scheme in relation to Land Suitability and Preliminary Stormwater assessment

Council can provide the following comments in relation to the application:

a) A detailed stormwater management plan (SWMP) has been submitted with the planning application. Council can provide in-principle support for the SWMP for the purpose of this application.

b) Council notes the Subdivision Plan (Appendix F of Statement of Effect) should show a proposed access location.

Should the application be approved, the Council requests the following condition(s) be included as Condition(s) Precedent in any Development Permit issued by the consent authority:

a) The crossover and driveway shall meet Litchfield Council's requirements, and be in accordance with the most current NT Subdivision and Development Guidelines.

b) Prior to the endorsement of plans and prior to the commencement of works, a schematic plan demonstrating the on-site collection of stormwater and its discharge into Litchfield Council's stormwater drainage system shall be submitted to and approved by Litchfield Council.

Should the application be approved, the following condition(s) pursuant to the *Planning Act* and Council's responsibility under the *Local Government Act* are also recommended for inclusion in any Development Permit issued by the consent authority:

a) The kerb crossovers and/or driveways to the site are to meet the technical standards of Litchfield Council. The owner shall remove disused crossovers; provide footpaths/cycleways, as required by Litchfield Council; collect stormwater and discharge it to the drainage network; and undertake reinstatement works; all to the technical requirements and satisfaction of Litchfield Council, at no cost to Litchfield Council.

Should the application be approved, the following notes are recommended for inclusion in any Development Permit issued by the consent authority:

a) Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.nt.gov.au.

b) A *Works Permit* is required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Litchfield Council's road network.

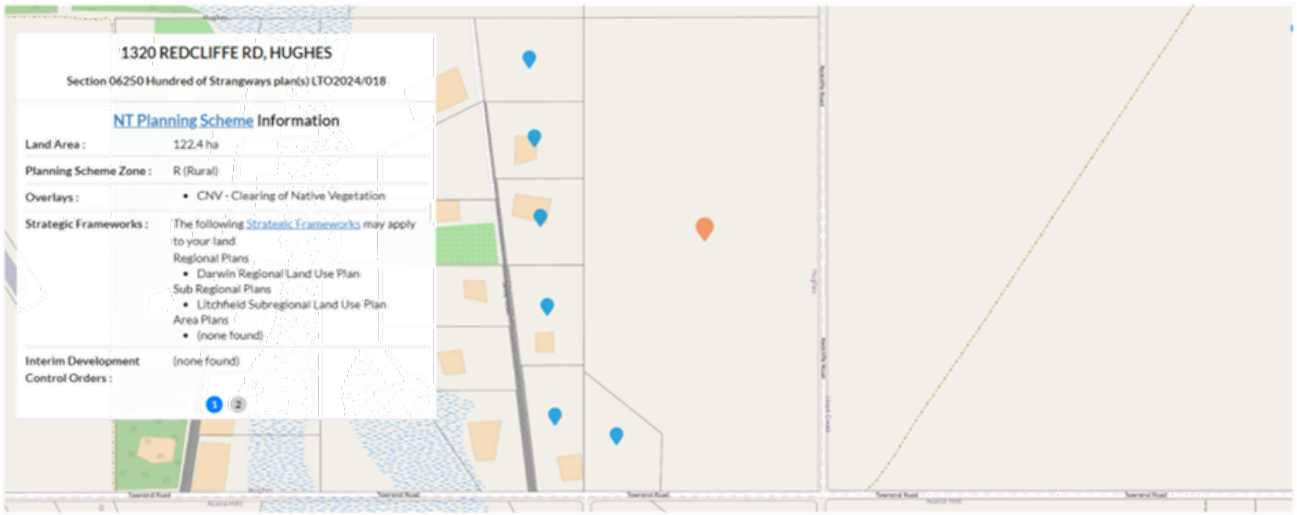

c) Notwithstanding any approved plans, signs within Litchfield Council's municipal boundaries are subject to approval under Interim Development Control Order 29.

d) Note that a development permit issued under the Planning Act is not an approval for access onto a Litchfield Council road. Approval for access to be taken from, or constructed within the Council controlled road reserve rests solely with Council as the approving authority.

If you require any further discussion in relation to this application, please contact Litchfield Council on 08 8983 0600.

Kind Regards,

Rob Taylor

RE: Letter of Comment Development Application

PA2026/0311
Hun: 325 P: 01529 110 Anzac Parade MIDDLE POINT, Hundred of Guy
Subdivision and consolidation to create 1 lot

Thank you for the Development Application referred to this office on 11 September 2026, concerning the above. This letter may be tabled at Litchfield Council's next Council Meeting. Should this letter be varied or not endorsed by Council, you will be advised accordingly.

The following issues are raised for consideration by the Authority:

Council <u>does not object</u> the granting of a Development Permit for the following reasons:

a) Council notes that the proposed development has little to no impact on Council roads or services.

Council can provide the following comments in relation to the application:

a) A stormwater management plan (SWMP) has not been submitted with the planning application. Council believes that a SWMP for the purpose of this application can be managed through appropriate conditions of a development permit, if approved.

Should the application be approved, the Council requests the following condition(s) be included as Condition(s) Precedent in any Development Permit issued by the consent authority:

a) Prior to the endorsement of plans and prior to the commencement of works, a schematic plan demonstrating the on-site collection of stormwater and its discharge into Litchfield Council's stormwater drainage system shall be submitted to and approved by Litchfield Council.

Should the application be approved, the following notes are recommended for inclusion in any Development Permit issued by the consent authority:

a) Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.nt.gov.au.

b) A *Works Permit* is required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Litchfield Council's road network.

RE: Letter of Comment Development Application

PA2026/0320
Hun: 055 P: 00020 395 Whitewood Road HOWARD SPRINGS, Hundred of Bagot
Dwelling-independent with a floor area in excess of 100m2

Thank you for the Development Application referred to this office on 11 September 2026, concerning the above. This letter may be tabled at Litchfield Council's next Council Meeting. Should this letter be varied or not endorsed by Council, you will be advised accordingly.

The following issues are raised for consideration by the Authority:

Council <u>does not object</u> the granting of a Development Permit for the following reasons:

a) The proposal generally aligns with the surrounding land use in the area and provides housing diversity which is necessary given the current economic challenges.

Council can provide the following comments in relation to the application:

a) Whilst Council acknowledges the proposed dwelling exceeds the necessary floor size limits there are no proposed additional impacts on ground water and no additional servicing to the lot proposed so therefore the impact of the dwelling is minimal – noting that the location of the dwelling-independent is greater than 20m from any boundary fence.

b) It may be necessary to ensure that the current onsite wastewater treatment has capacity to support the additional residence.

c) A stormwater management plan (SWMP) has not been submitted with the planning application. Council believes that a SWMP for the purpose of this application can be managed through appropriate conditions of a development permit, if approved.

d) While it may not considered for review with this application, the carport structure on the western boundary should be removed or relocated to a more suitable location that does not breach the required boundary setback.

Should the application be approved, the Council requests the following condition(s) be included as Condition(s) Precedent in any Development Permit issued by the consent authority:

a) The owner shall collect stormwater and discharge it to the drainage network, to the technical requirements and satisfaction of Litchfield Council, at no cost to Litchfield Council.

b) Any developments on or adjacent to any easements on site in favour of Council shall be carried out to the requirements and satisfaction of Litchfield Council.

Should the application be approved, the following notes are recommended for inclusion in any Development Permit issued by the consent authority:

a) Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.nt.gov.au.

b) A *Works Permit* is required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Litchfield Council's road network.

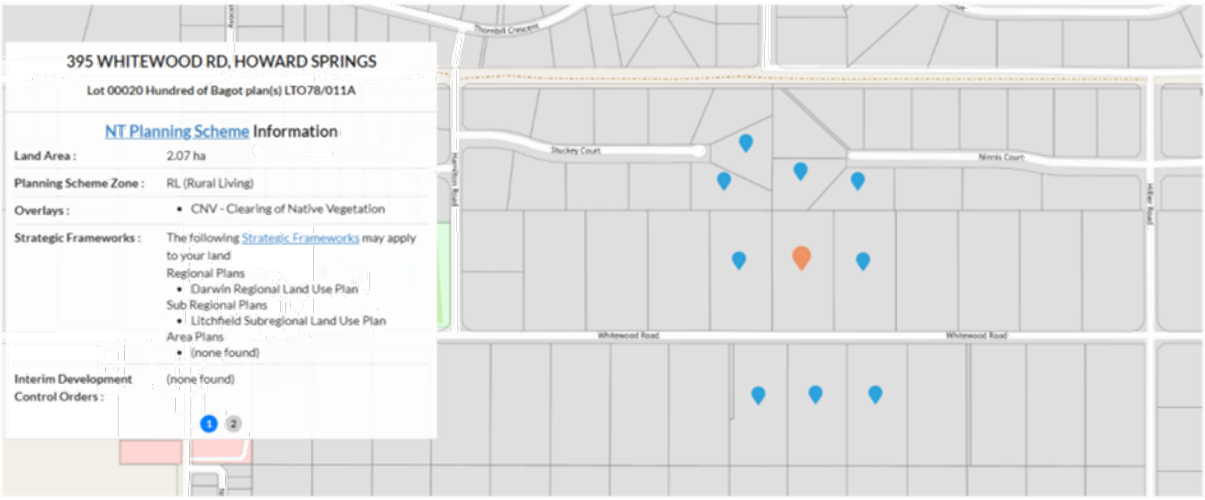

c) Notwithstanding any approved plans, signs within Litchfield Council's municipal boundaries are subject to approval under Interim Development Control Order 29.

d) Note that a development permit issued under the Planning Act is not an approval for access onto a Litchfield Council road. Approval for access to be taken from or constructed within the Council controlled road reserve rests solely with Council as the approving authority.

RE: Letter of Comment Development Application

PA2026/0326
Hun: 6243 P: 999 413 Arnhem Highway HUMPTY DOO, Hundred of Strangways
Subdivision and consolidation to create two lots

Thank you for the Development Application referred to this office on [document received], concerning the above. This letter may be tabled at Litchfield Council's next Council Meeting. Should this letter be varied or not endorsed by Council, you will be advised accordingly.

The following issues are raised for consideration by the Authority:

Council does not objects to the granting of a Development Permit for the following reasons:

a) The proposed consolidation and subdivision would not result in any additional Lots and would have no real impact to Council infrastructure or servicing requirements.

Council can provide the following comments in relation to the application:

a) The property at 413 Arnhem Hwy appears to operate a business from the property with regular heavy vehicle movements involved through 375 Arnhem Hwy. With this the property owner for the proposed new Lot arrangement for 375 Arnhem Hwy will need to address operational environmental aspects, considering the lagoon to the north of the Lots, relating to the business as part of any subdivision. This can be managed through conditions in a Development Permit.

b) NTG Department of Logistics and Infrastructure should be engaged for specific comments relating to the current operation of heavy vehicles onto Arnhem Hwy. The proposed future duplication project that is currently in design phase will have a significant impact on the types of vehicles able to operate from this address.

c) Understanding it may not be relevant to this Planning Application, the DCA may consider whether the proposed subdivision through consolidation is appropriate for the home based business currently operating between the two Lots.

Should the application be approved, the Council requests the following condition(s) be included as Condition(s) Precedent in any Development Permit issued by the consent authority:

a) Prior to the endorsement of plans and prior to the commencement of works, a schematic plan demonstrating the on-site collection of stormwater and its discharge into Litchfield Council's stormwater drainage system shall be submitted to and approved by Litchfield Council.

b) An Operational Environmental Management Plan (OEMP) that addresses the day to day waste management requirements for the use shall be prepared to the satisfaction of Litchfield Council. The use must at all times be conducted in accordance with the plan.

Should the application be approved, the following condition(s) pursuant to the *Planning Act* and Council's responsibility under the *Local Government Act* are also recommended for inclusion in any Development Permit issued by the consent authority:

a) The owner shall collect stormwater and discharge it to the drainage network, to the technical requirements and satisfaction of Litchfield Council, at no cost to Litchfield Council.

b) Any developments on or adjacent to any easements on site in favour of Council shall be carried out to the requirements and satisfaction of Litchfield Council.

Should the application be approved, the following notes are recommended for inclusion in any Development Permit issued by the consent authority:

a) Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.nt.gov.au.

b) A *Works Permit* is required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Litchfield Council's road network.

c) Notwithstanding any approved plans, signs within Litchfield Council's municipal boundaries are subject to approval under Interim Development Control Order 29.

d) Note that a development permit issued under the Planning Act is not an approval for access onto a Litchfield Council road. Approval for access to be taken from, or constructed within the Council controlled road reserve rests solely with Council as the approving authority

If you require any further discussion in relation to this application, please contact Litchfield Council on 08 8983 0600.

RE: Letter of Comment Development Application

PA2026/0274
Hun: 055 P: 07905 40 Smyth Road HOWARD SPRINGS, Hundred of Bagot
Dwelling-independent with a reduced setback to the side boundary

---

Thank you for the Development Application referred to this office on [document received], concerning the above. This letter may be tabled at Litchfield Council's next Council Meeting. Should this letter be varied or not endorsed by Council, you will be advised accordingly.

The following issues are raised for consideration by the Authority:

Council <u>does not support</u> the granting of a Development Permit for the following reasons:

a) The layout within the property allows for the proposed dwelling-independent to be constructed in a location that does not require the reduction of the setback. Please refer to Attachment A - Site view @ 40 Smyth Rd, Howard Springs

b) The design of the proposed dwelling-independent may invertedly direct stormwater flows from the roof to the neighbouring property as a concentrated flow due to the lack of space available for stormwater runoff from the roof to allow for sheet flow.

c) The applicant provides a supporting aspect in the statement of effect addressing Clause 5.4.3 is to avoid no site overhang of the dwelling-single and dwelling-independent. Council appreciates that this may feel optimal for the aesthetics of the property but does not support this as a reason to support the proposed reduction of the setback.

Should the application be approved, the Council requests the following condition(s) be included as Condition(s) Precedent in any Development Permit issued by the consent authority:

a) Prior to the endorsement of plans and prior to the commencement of works, a schematic plan demonstrating the on-site collection of stormwater, and its discharge into Litchfield Council's stormwater drainage system, shall be submitted to and approved by Litchfield Council.

Should the application be approved, the following condition(s) pursuant to the *Planning Act* and Council's responsibility under the *Local Government Act* are also recommended for inclusion in any Development Permit issued by the consent authority:

a) The owner shall collect stormwater and discharge it to the drainage network, to the technical requirements and satisfaction of Litchfield Council, at no cost to Litchfield Council.

b) No fence, hedge, tree or other obstruction exceeding a height of 0.6m is to be planted or erected so that it would obscure sight lines at the junction of the driveway and public street, to the satisfaction of Litchfield Council.

c) Any developments on or adjacent to any easements on site in favour of Council shall be carried out to the requirements and satisfaction of Litchfield Council.

Should the application be approved, the following notes are recommended for inclusion in any Development Permit issued by the consent authority:

a) Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.nt.gov.au.

b) A *Works Permit* is required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Litchfield Council's road network.

c) Notwithstanding any approved plans, signs within Litchfield Council's municipal boundaries are subject to approval under Interim Development Control Order 29.

If you require any further discussion in relation to this application, please contact Litchfield Council on 08 8983 0600.

Kind Regards,

Rob Taylor
Development Engineer

RE: Letter of Comment Development Application

PA2026/0327
Hun: 695 P: 02920 247 Virginia Road VIRGINIA, Hundred of Strangways
Outbuilding (verandah and carport) addition to an existing dwelling-single with a reduced building setback to the side boundary

Thank you for the Development Application referred to this office on [document received], concerning the above. This letter may be tabled at Litchfield Council's next Council Meeting. Should this letter be varied or not endorsed by Council, you will be advised accordingly.

The following issues are raised for consideration by the Authority:

Council <u>does not support</u> the granting of a Development Permit for the following reasons:

a) The size of the property allows for the proposed freestanding carport and verandah to be constructed on the opposite side of the related building which would then not require a significant reduction to the setback.

b) The design of the proposed freestanding carport and verandah may invertedly direct stormwater flows from the roof to the neighbouring property as a concentrated flow due to the lack of space available for stormwater runoff from the roof to allow for sheet flow.

c) Through the information provided by the applicant's design drawings, Council can see that works have commenced prior to gaining an approval. Council would not support this as a reason to support any approval as it is the property owners responsibility to ensure the proposal meets the NT Planning Scheme prior to commencing.

Should the application be approved, the Council requests the following condition(s) be included as Condition(s) Precedent in any Development Permit issued by the consent authority:

a) Prior to the endorsement of plans and prior to the commencement of works, a schematic plan demonstrating the on-site collection of stormwater and its discharge into Litchfield Council's stormwater drainage system shall be submitted to and approved by Litchfield Council.

Should the application be approved, the following condition(s) pursuant to the *Planning Act* and Council's responsibility under the *Local Government Act* are also recommended for inclusion in any Development Permit issued by the consent authority:

a) The owner shall collect stormwater and discharge it to the drainage network, to the technical requirements and satisfaction of Litchfield Council, at no cost to Litchfield Council.

b) Any developments on or adjacent to any easements on site in favour of Council shall be carried out to the requirements and satisfaction of Litchfield Council.

Should the application be approved, the following notes are recommended for inclusion in any Development Permit issued by the consent authority:

a) Litchfield Council's current Fees and Charges may apply to the above conditions. Additional information can be found at www.litchfield.nt.gov.au.

b) A *Works Permit* is required from Litchfield Council before commencement of any work within the road reserve, which would include creation of any driveway crossover connecting to Litchfield Council's road network.

c) Notwithstanding any approved plans, signs within Litchfield Council's municipal boundaries are subject to approval under Interim Development Control Order 29.

d) Note that a development permit issued under the Planning Act is not an approval for access onto a Litchfield Council road. Approval for access to be taken from, or constructed within the Council controlled road reserve rests solely with Council as the approving authority

If you require any further discussion in relation to this application, please contact Litchfield Council on 08 8983 0600.

Kind Regards,

Rob Taylor

15 OTHER BUSINESS

16 CONFIDENTIAL ITEMS

RECOMMENDATION

Pursuant to Section 93 of the Local Government Act and Regulation 51 of Local Government (General) Regulations the meeting be closed to the public to consider the following confidential item(s):

16.1 Confidential Minutes of the Council Meeting held on 21 September 2026

This matter is considered to be confidential under Section 99(2) - ci of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.

16.2 Remission of Interest - Financial Hardship

This matter is considered to be confidential under Section 99(2) - b of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information about the personal circumstances of a resident or ratepayer;

16.3 Appointment of RMAC Chair

This matter is considered to be confidential under Section 99(2) - civ of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to subject to sub regulation (3) - prejudice the interest of the council or some other person.

16.4 Planning Summary Report - Confidential item

This matter is considered to be confidential under Section 99(2) - e of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with subject to sub regulation (3) - information provided to the council on condition that it be kept confidential and would, if publicly disclosed, be likely to be contrary to the public interest.

16.5 RFT26-564 - Sealed Pavement Maintenance Period Contract

This matter is considered to be confidential under Section 99(2) - ci of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information that would, if publicly disclosed, be likely to cause commercial prejudice to, or confer an unfair commercial advantage on, any person.
